GLORY BE TO THE MOST PRECIOUS BLOOD !

"I suffered for nearly one year from a malady that increased every day. After having spent much money, and received the care of very able Physicians, I had come to believe that the disease would lead me to my grave..... But, one day, I had the inspiration to write to the Monastery of the Precious Blood at St-Hyacinthe, where they made a Novena for me. I am happy to state that, since that Novena, I have been perfectly cured.

A thousand grateful thanks to the Precious Blood of Jesus !"

"After having been given-up by two Physicians, and by my intimate friends, I have been restored to health. I attribute my cure to prayers made to the Precious Blood, and to the promise that I would make known the fact, by publishing it in the Annals."

GLORY TO THE ARCHANGEL MICHAEL ! CHANT FOREVER HIS HOLY PRAISES! Several persons having informed us of their cures from long and dangerous maladies,
