"I could not live without Kidney-Wort if it cost \$10. It
cured my liver and Aching troubles after I had lost
all hope."
SAM'L HODGES, Williamstown, N.Y.

PILES! PILES!!
"I suffered for 13 years from Piles, as none but those
that have been afflicted can realize. Kidney-Wort
quickly cured me."
LYMAN T. ABELL, Georgia, Ft.

CONSTIPATION.
"I was a great sufferer from diseased Kidneys and
was terribly constipated for years. I am now a docu-
ment as well as ever I was in my life and it is due
to Kidney-Wort."
C. P. BROWN, Westport, N.Y.

RHEUMATISM.
"After suffering for thirty years from Rheumatism
and kidney trouble, Kidney-Wort has entirely cured
me."
ELBRIDGE MALCOLM, West Bath, Me.

suffering and weakness, brought on by use of a So-
dium-Water."
DR. C. M. SCUMERDIN, Sandusky, N.Y.

FOR THE BLOOD.
"The past year I have used Kidney-Wort more than
ever, and with the best results. It is all I need for
the most successful remedy I have ever used."
PHILLIP C. BALLOU, M. D., Monkton, Vt.

MALARIA.
"Chronic Malaria for years, with liver disease made
me wish for death. A European trip, doctors and
medicines did no good, until I used Kidney-Wort—that
CURED me."
HENRY WARD,
Late Col. 6th Reg., N. O. S. N. Y., Jersey City, N.J.

LIVER PILLS. They cure Constipation, Biliousness and
Torpidity of the Liver. 25 cents per box.

Scientific and Useful.

To get rid of the smell of paint, plunge a
handful of hay into a pail of water, and let
it stand in any room newly painted. The
smell will be greatly lessened.

STEEL knives which are not in general
use may be kept from rusting if they are
dipped in a strong solution of soda—one
part water to two of soda, then wipe dry,
roll in a flannel and keep in a dry place.

— Lydia E. Pinkham's Vegetable Com-
pound is a most valuable medicine for ladies of
all ages who may be afflicted with any
form of disease peculiar to the sex. Her
Remedies are not only put up in liquid form
but in Pills and Lozenges in which form they
are securely sent through the mails.

TO RESTORE RUBBER RINGS FOR FRUIT
JARS.—To two parts water put one part
ammonia, let the hardened rings lie in this
mixture from five minutes to half an hour, as
may be needed to restore their elasticity.

CINNAMON BUN.—Make your paste just
as you would for ordinary bun; roll it out
into suitable lengths for the size of your bun,
and then butter these rolls well, and as you
twist the roll into form, place between the
rolls some cinnamon, currants, and sugar.
Then place your buns in a baking-pan, strewn
with white pulverized sugar over the whole.

HUSBAND AND WIFE.—Mr. James More
and wife, well known in Leamington, were
both chronic sufferers from dyspepsia, that
the best medical aid failed to relieve. Three
bottles of Burdock Blood Bitters cured both
husband and wife.

SANDPAPER will whiten ivory & wife
handles that may have become yellow with
use or age.

WARNING.—The most suddenly fatal
diseases of Summer and Fall are the various
forms of Bowel Complaints which Dr.
Fowler's Extract of Wild Strawberry will
promptly remedy.

A VERY little cream of tartar in the frost-
ing for a cake will hasten the hardening
process. If the knife is often dipped into
water while spreading the frosting it will give
a gloss or polish greatly to be desired.

FLOWERS may be kept very fresh over
night if they are excluded entirely from the
air. To do this, wet them thoroughly, put
in a damp box, and cover with wet raw cot-
ton or wet newspaper, then place in a cool
spot.

PEOPLE WHO READ AND REFLECT, after
reading, upon the many published testimo-
nials regarding Northrop & Lyman's Vege-
table Discovery and Dyspepsia Cure, can
scarcely fail to perceive that evidence so pos-
itive and concurrent could not be produced
in behalf of a remedy of doubtful efficacy.
The facts proven by such evidence are that
it roots out impurities of the blood, restores
digestion, enriches the circulation, and regu-
lates the bowels and liver.

CANNING FRUIT.—Many persons have
good success with stoneware cans. The
chief recommendation of tin is that it does
not break like stoneware and glass. But tin
oxides readily, and is apt to poison the fruit,
particularly if a small portion of air gets in.
Glass is undoubtedly best; and the best
make of jars is the cheapest in the long run.
The breakage in the hand of a careful house-
keeper need be but very little. To prevent
the breaking of glass, use by the hot fruit, set
them on a wet towel before commencing to
fill them. Sugar, if used, should be in the
form of a hot, strong syrup, to be introduced
after the fruit is taken off the fire. If sugar
is boiled along with the fruit, the fruit acid
will change it into glucose in the boiling, in
which it loses half its sweetening property.
Before sealing, the fruit should have a little
time to settle down, and the air to bubble
up. A very gentle stirring will aid both of
these. A good cement is made of resin, for
parts (by weight,) and tallow, one part,
melted together and well mixed.

Advertising Cheats!!!

"It has become so common to begin an
article in an elegant, interesting style,
"Then run it into some advertisement
that we avoid all such,
"And simply call attention to the merits
of Hop Bitters in as plain, honest terms as
possible,
"To induce people
"To give them one trial, which so proves
their value that they will never use anything
else."

"THE REMEDY so favorably noticed in
the papers,
"Religious and secular, is
"Having a large sale, and is supplanting
all other medicines.
"There is no denying the virtues of the
Hop plant, and the proprietors of Hop
Bitters have shown great shrewdness and
ability
"In compounding a medicine whose vir-
tues are so palpable to every one's observa-
tion."

Did She Die?

"No!
"She lingered and suffered along, pining
away all the time for years."
"The doctors doing her no good;"
"And at last was cured by this Hop
Bitters the papers say so much about."
"Indeed! Indeed!"
"How thankful we should be for that
medicine."

A Daughter's Misery.

"Eleven years our daughter suffered on
a bed of misery,
"From a complication of kidney, liver,
rheumatic trouble and Nervous debility,
"Under the care of the best physicians,
"Who gave her disease various names,
"But no relief,
"And now she is restored to us in good
health by as simple a remedy as Hop Bit-
ters, that we had shunned for years before
using it.—THE PARENTS.

Father is Getting Well.

"My daughters says:
"How much better father is since he used
Hop Bitters."
"He is getting well after his long suffer-
ing from a disease declared incurable."
"And we are so glad, that no used your
Bitters." A LADY, of Utica, N. Y.

None genuine without a bunch of
green Hops on the white label. Shun all
the vile, poisonous stuff with "Hop" or
"Hops" in their name.

There are many perfumes which, when ap-
plied to the handkerchief, have a very agree-
able odour for a few moments, and then die
away, leaving only a sickly, disagreeable
smell. Not so with MURRAY & LYMAN'S
FLORIDA WATER; the longer it is exposed
the more delicate and delightful becomes its
rich aroma.

A SUCCESSFUL strike occurred when the
Richmond night express train struck a
negro walking on the track, who got a
glimpse of the locomotive's headlight just be-
fore being landed in the woods a dozen or
two yards from the road line. His first con-
scious words were: "For de Lor' sake,
boss, who frow dat lantern at me?"

THE Cheapest medicine in use is Dr.
Thomas' Electric Oil, because very little of
it is required to effect a cure. For croup,
diphtheria, and diseases of the lungs and
throat, whether used for holding the chest or
throat, for taking internally or inhaling, it is
a matchless compound.

A YOUNG man who went to the late war
began his first letter to his sweetheart after
this fashion: "My dear Julia:—Whenever
I am tempted to do wrong I think of you,
and I say: 'Get thee behind me, Satan.'"

A. L. NOYES, Newark, Michigan, writes:
"I have enquired at the drug stores for Dr.
Thomas' Electric Oil, but have failed to
find it. We brought a bottle with us from
Quebec, but it is nearly gone and we do not
want to be without it, as my wife is troubled
with a pain in the shoulder, and nothing else
gives relief. Can you send us some?"

MR. TR. LALA (to barber after enjoying a
hair cut and his first shave and receiving his
"check"): "I think you've made a mis-
take. Isn't a shave twenty cents?" Barber
(deprecatingly): "Really, I couldn't think
of charging for that, sir."

\$1,000 REWARD FOR ITS SUPERIOR
Washing ease, light and
easy. The clothes have that pure whiteness which
no other mode of washing can produce. No rubbing
required—no friction to injure the fabric. A ten-
year-old girl can do the washing as well as an older
person. To place it in every household, the price has
been reduced to \$2.50, and if not found satisfactory,
money refunded. See what *The Baptist* says:
"From personal examination of its construction and
experience in its use we commend it as a simple, sen-
sible, scientific and successful machine, which suc-
ceeds in doing its work admirably. The price, \$2.50,
places it within the reach of all. It is a time and
labour-saving machine, is substantial and enduring,
and is cheap. From trial in the household we can
testify to its excellence."

MR. ALEXANDER ROBINSON, of Exeter, in
writing about one of the most popular arti-
cles, and one that has done more good to
the afflicted than any other medicine has
during the short time it has been in existence,
says: "I have used four bottles of North-
rop & Lyman's Vegetable Discovery and
Dyspeptic Cure, and have been cured of Dys-
pepsia that troubled me for over ten years.
Part of that time I had it very bad; and I
was at considerable expense trying to get re-
lief; but this excellent medicine was the first
and only relief I received."

WHEN one has had a fever, and the hair
is falling off, take a teaspoon of sage, steep in
a quart of soft water, strain it off into a tight-
bottle. Sponge the head with the tea fre-
quently, wetting the roots of the hair.
