St. Giles Presbyterian Church, Cote St. Louis, seems to be prospering under the pastorate of the Rev. Mr. Dobson. Two months ago the church was not more than half filled, now chairs have to be placed in the aisles, the pews being all occupied before the commencement of the service. An excellent choir has been formed with Mr. Lister as conductor.

Rev. Jonathan Goforth gave an address on mission work in China in St. Andrew's Church, Strathroy, last week. The chair was occupied by Mr. I. R. Geddes, and on the platform were Rev. Messrs. Newton and Dayfoot, who took part in the opening services. The collection, which was in aid of Foreign Missions generally, amounted to something over \$25.

Last Sunday the Rev. W. W. Peck, LL.B., student in charge of Tweed Presbyterian Church, exchanged pulpits with the Rev. J. Black, B.A., of Roslin and Thurlow charge. Mr. Peck is a young man of commanding abilities, and his labors among the Presbyterians of Tweed, who are possessed of a neat and comfortable edifice, have met with great acceptance.

On Sabbath, August 12th, the Rev. David James, of Midland, Canada (cousin of the Rev. S. McIntock), pastor, occupied the pulpit of the parish church of West Linton, and preached to large congregations. Both discourses were of an intensely practical nature, and dealt with the attitude of the Christian to his Lord, and his duty to the world.—*Fulshire Advertiser.*

The reception given to Rev. Jas. A. Anderson by the young people of Knox Church, Goderich, recently, was a grand success. The chair was efficiently filled by Mr. George Stiven. Miss Nellie Stratten, the Misses Mitchell, Misses Pridham and Campaigne, Misses Watson, and Miss Winnie Bell took part in an excellent programme. Mr. Anderson made a few appropriate remarks.

St. John's Presbyterian Church, Moncton, N.B., was last January almost entirely destroyed by fire. The basement of a new church was occupied for the first time on Sunday morning, September 2nd. Rev. J. M. Robinson, the pastor, preaching the edifying sermon. Mr. R. C. Donald, the contractor on the new building, has agreed to have the church entirely completed by November 1st.

The congregation of St. Andrew's Church, Kingston, recently enjoyed a treat in the ministrations of Rev. R. Whiting. This venerable servant

of God, whose age is popularly reported to be over 80, exhibited a vivacity, combined with mental and physical powers, which might well have become a younger man. Without notes he delivered a sermon that stirred up even the most sluggish among his hearers.

Rev. J. A. G. Calder, who for a number of years officiated as pastor of Knox Church, Lancaster, and has now resigned his charge, was recently made the subject of a eulogistic resolution by the Presbytery of Glengarry, moved by Rev. Dr. McNish, and seconded by Mr. D. B. MacLennan. Mr. Calder is a preacher of unusual ability, possessing powers of platform utterance of a high order.

St. Andrew's Church, Belleville, burned a week ago Sunday morning, was built in 1871, and remodelled five years later. Its value was \$30,000 and it was free of debt. Rev. M. W. Maclean has been pastor since 1873. The edifice was very handsome, had beautiful stained windows, the gifts of John Bell, Mrs. Robinson and Mr. Ponon. The wheel window was put in by the church, which also had a fine chime of bells.

Last Wednesday, Chalmers Church, Guelph, had a missionary prayer-meeting. Papers on mission work in Trinidad and the New Hebrides respectively, were read by Miss A. Dow and Miss K. Watt. Both gave evidence of careful preparation, were very instructive and were well received. Mr. W. Tyler, M.A., read a very interesting letter from Rev. A. B. Winchester, Presbyterian Missionary to the Chinese in British Columbia.

Rev. Andrew McNabb, M.A., has been inducted into the pastorate of the united congregations of Whitechurch and Langside. There was a large and attentive congregation present. Rev. G. Ballantyne, of Molesworth, preached an able sermon. Rev. F. A. McLennan delivered the charge to the minister in most solemn and appropriate terms. Rev. D. Pettie gave suitable counsel to the assembled people. Mr. H. D. Henderson occupied the chair at an evening social.

The anniversary services of Erskine Church, Ottawa, were held recently. Rev. R. E. Knowles, of Stewarton Church, officiated in the morning. In a pleasing manner he congratulated the growing congregation on the prosperity and success which had been their portion under the pastorate of the Rev. Dr. Campbell. If in the future they had all the success he wished them they would be happy indeed. Rev. James Ballantyne, of Knox Church, preached admirably to a full attendance in the evening.

The most successful anniversary services ever held in connection with Guthrie Church, Melbourne, were held on Sunday and Monday, September 2nd and 3rd. On September 2nd Rev. James Little, of Prool Line, preached three times to large and appreciative audiences. The Methodists having given up their evening service the church was crowded to overflowing. On Monday evening a Pioneer supper was given by the ladies of the church and was very largely attended. Receipts about \$100.

Miss James, of Walkerton, who was largely instrumental in forming the W. F. M. S., in connection with Knox Church there recently, on retiring from the position of president of that body, had her services recognized in a substantial manner by the membership. At a special meeting of the society, she was presented with a handsome ladies' desk. Mrs. E. C. Telford made the presentation, while Mrs. C. Keeling, the newly elected president read an appreciative address. Miss James replied in appropriate and graceful terms. About fifty ladies were present.

The work on the new Knox Church, Acton, has progressed very rapidly. The foundations will be so far advanced as to permit the laying of the corner stones shortly. At a meeting of the congregation to consider arrangements for this ceremony it was decided that two corner stones be laid, one by the congregation itself and the other by some representative of the church at large. Mr. Archibald Campbell, senior elder of the church, and one of its most prominent members, was chosen unanimously to lay the corner stone on behalf of the congregation, and the Rev. G. L. McKay, D.D., Moderator of the General Assembly, was chosen to lay the other. As the latter is in the old country, he will not be available. The date of the function in question has not yet been decided upon.

A very happy event took place on Sept. 12th, at Springfield, Delaware, the residence of Mr. N. McLellan, when Miss N. F. McLellan, his youngest daughter, was married to Rev. Albert E. Vert, Presbyterian minister of Delaware, and youngest son of the late Francis Vert, Esq., ex-M.P., and ex-provost of Haddington, Scotland. The ceremony was performed by Rev. J. A. Murray, of London, assisted by Rev. W. G. Jordan, B.A., Strathroy, and Rev. W. C. Cook, M.A., Dorchester. The bride was attended by Miss Hutchison, of London, while the groom was supported by Rev. D. Robertson, of London East. The Rev. Mr. and Mrs. Vert left for an extended tour in the Eastern Provinces and States. As Mr. Vert has been very unwell lately, it is to be hoped that his tour will bring him back with health revived. He is exceptionally popular with his parishioners.

A new Presbyterian Church has just been opened at Raven Lake, Manitoba. Rev. J. Robertson, D.D., superintendent of missions, conducted the inaugural services. Revs. W. S. Moore, of Hamiota, and John Ferry, of Moccasin, assisted at the evening service. The proceeds on both occasions amounted to \$55. The church in question is not at Raven Lake proper, but four miles south in what is called the McConnell settlement, on the direct trail to Hamiota, and Hamiota is the new town 12 miles to the south on the G. N. W. Central R.R. Revs. Rogerson, of Strathclair, and McArthur, of Beulah, both former missionaries in this district, were present at the

## OBITUARY.

REV. WILLIAM MCKEE D.D.

This gentleman died at his residence on Wellington street, Barrie on Sunday evening 2nd inst., of typhoid fever. He was born in 1823, and was of Irish extraction. At Queen's College, Belfast, he received his degree, and in the same city studied divinity under Cook and Barnes. He came to Canada in 1855, and among his first acquaintances was Dr. John Hall, of New York, who continued to be one of the deceased's most intimate friends. In 1858 he was inducted into the pastorate of the Presbyterian charge of West Gwillimbury and Innisfil Townships, South Simcoe, and for seventeen years ministered to the flock in those townships. Part of this time he was also Inspector of Public Schools for South Simcoe. He moved to Barrie about ten years ago and during that time, apart from his duties as elder of the Presbyterian Church here, has been retired. Until about three weeks ago he had always enjoyed robust health, but at that time typhoid fever set in, which terminated in his death on Sunday evening. His body was interred in Wilson Hill Cemetery, near Cookstown, Revs. D. D. McLeod of Barrie and J. Carswell of Bond Head conducting the funeral rites. Deceased was an eager student and had an intelligent grasp of all subjects of current thought.

## THE LATE ROBT. BLACKBURN.

The funeral of the late Robert Blackburn, who died a short time ago in Liverpool, took place upon the arrival of the remains in Ottawa, and was attended by hundreds of its best known citizens. Mr. Blackburn was known to many through his kind deeds, and after the arrival of the body at home by special Canada Atlantic train, many visited the house for the purpose of taking a farewell look at the face of an old friend.

Service was conducted at the residence by the deceased, the Rev. Jas. Ballantyne, pastor of Knox Church, officiating. He was assisted by Rev. Dr. Moore, Rev. J. A. Macfarlane and Rev. R. E. Knowles. On the conclusion of the funeral service a procession was formed which included representatives of the leading families of the city.

The offices of the Ottawa Gas Company were closed in the afternoon out of deep respect for the late Robert Blackburn, vice-president of the company, and one of the oldest directors, whose death is greatly lamented by his colleagues.

## ORDINATION AND DESIGNATION OF MR. SLIMMON AS MISSIONARY TO HONAN, CHINA.

On the evening of Thursday the 13th inst., the Presbytery of Toronto met in Bloor Street Church for the purpose of ordaining to the office of the ministry, Mr. Slimmon who has just completed his studies at the summer session of Manitoba College, and designating him as a missionary to Honan, our mission field in that country. Considering the heavy rain which was falling just at the hour of assembling, the meeting was a good one. Mr. Slimmon has already spent seven years in mission work in that country, and will accordingly be able to enter at once actively upon the work on his arrival in China. By appointment of Presbytery the Rev. Mr. Jordan, B.D., pastor of St. James Square Church in this city, preached the sermon. He took for his text I Sam. v. 2, 3 from which he delivered a discourse upon the "Present Attitude and Outlook of Christianity in its Relation to the Heathen World." After sermon the Rev. Mr. Wallace, B.D., pastor of Bloor street congregation, as Moderator of Presbytery, put the question to Mr. Slimmon, offered the ordination prayer, the Presbytery standing around, and after ordination suitably addressed Mr. Slimmon. Mr. Hamilton Carsell, also convener of the Foreign Mission Committee, in the name of that body briefly and appropriately addressed the missionary-designate, and according to the custom of the committee presented him with a copy of the Holy Scriptures. The Rev. Dr. MacVicar, Principal of Montreal Theological College, next, as representative of the Foreign Mission Committee, addressed

Sarsaparilla, which acts gently, yet efficiently. It tones the stomach, regulates the digestion, creates a good appetite, banishes headache, and refreshes the mind.

## Sick Headache

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me, or did me little good. After eating I would have a faint or tired, all-gone feeling, as though I had not eaten anything. My trouble was aggravated by my business, painting. Last spring I took Hood's Sarsaparilla, which did me an immense amount of good. It gave me an appetite, and my food relished and satisfied the craving I had previously experienced." GEORGE A. In another column will be found an open letter from a prominent physician relating the facts of a cure of consumption after the patient had reached the last stages of this hitherto unconquered disease. The statements made are really remarkable, and mark another advance in the progress of medical science. Our readers will find the article well worth a careful perusal.
