GRATEFUL—COMFORTING.

EPPS' COCOA
BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*

TRIED AND TRUE.

REV. J. X. MORAN, Methodist Minister, Arden, Ont., writes under date Jan. 29, 1895: "Three years ago I was troubled with dyspepsia. After trying a number of remedies I procured a package of K.D.C. In a short time my health was fully restored. This fact of my trouble returned. Thanks to the curative properties of K.D.C., half a package restored me to my usual health. The remaining half package is doing good work in other homes."
