THE USE OF SALT.

To relieve heart-burn drink a half-tumblerful of cold water in which has been dissolved a table-spoonful of salt.

Salt as a tooth-powder is better than almost any other dentifrice. It keeps the teeth very white, the gums hard and rosy, and the breath fresh.

If the throat is very sore, wring a cloth out of cold salt and water, and bind it on the throat tightly, when going to bed; cover it with a dry towel. This is excellent.

For neuralgia, make a small muslin bag, fill it with salt, heat it very hot and lay it against the aching place. It will prove a great relief as salt retains the heat a long time.

For troublesome weeds and for grass in sidewalks, driveways, etc., apply a dressing of coarse salt; this will kill all growth. Be careful not put it on anything that should not be destroyed, however.

For catarrh, snuff up considerable salt and water from the hollow of the hand every morning. Salt and water, used as a gargle just before going to bed, strengthens the throat and helps to prevent bronchial troubles; it is also excellent for sore-throat.

If ink is spilled on the carpet, throw a quantity of salt on it which will quickly absorb the ink; take this up, and put on more salt. Keep repeating this, rubbing it well into the ink spot, until the ink is all taken up by the salt; then brush the salt out of the carpet.

For a felon, take common rock-salt, such as is used for salting down pork, dry it in an oven, then pound it fine and mix with spirits of turpentine in equal parts. Put it on a linen rag and wrap around the felon. As it dries put on more and if followed up the felon will be dead in twenty-four hours.

Dear Madam:—
Yours to hand. I recommend the Moore treatment because I have tried it, and know it to be just what he says it is. I was cured by it, and have remained so eight years; have known of many others being cured of the very worst cases. By all means get

Yours truly, W. E. PENN.
EURRRA SPRINGS, ARK., May 24, 1894.
The above is a letter written by the late Rev. W. E. Penn, the noted Evangelist, to Mrs. W. H. Watson New Albion, N. Y.

Cured in '92, Well in '96.

34 years ago I had rings in my head, had Catarrh 30 years, hearing failed, for many years could not hear loud conversation two feet away, had continual roaring in ears, hoarseness, throat sore and dry, intense pain over eyes, and "stopped up" feeling in my head. General health so impaired was not able to work. I used Aerial Medication in 1892. It stopped the roaring, pain and soreness in my head and throat, fully restored my hearing, and for four years have been free from Catarrh, and able to work. Wm. F. BOWMAN, Howell, Ark.

Aerial Medication has triumphed and I am cured. One thousand dollars would be nothing compared to this. I have had bitter suffering from Catarrh. Since I had Lvgrippe the disease settled in the back of my head and my sufferings have been almost unbearable. I thank God I ever heard of your treatment, which has no equal. I can speak in the highest terms of Aerial Medication. Miss E. S. OAK, E. Harpswell, Maine.
