

International Rifle Meeting.

Sir Sidney Halford writes to the London Agent of the Associated Press:—"I am in communication with the Scottish National Rifle Club, which has accepted the challenge from America to send a separate team, and with the Irish Rifle Association, who still have the matter under consideration. I am endeavouring to obtain their co-operation in sending a British Team alone. The Council of the National Rifle Association is so unanimous in its feeling that only a British Team should be entered that there is no necessity to call a meeting on the subject. If I fail in inducing Scotland and Ireland to join in the British Team I shall place my resignation as Captain in the hands of the National Rifle Association. I have every reason to believe that England will not be represented by any separate Team."

TASTELESS MEDICINES.

A prominent New York physician lately complained to DUNDAS DICK & CO. about their SANDALWOOD OIL CAPSULES, stating that sometimes they cured miraculously, but that a patient of his had taken them without effect. On being informed that several imitations were sold, he inquired and found his patient had not been taking DUNDAS DICK & CO'S.

What happened to this physician may have happened to others, and DUNDAS DICK & CO. take this method of protecting physicians, druggists and themselves, and preventing OIL OF SANDALWOOD from coming into disrepute.

PHYSICIANS who once prescribe the Capsules will continue to do so, for they contain the pure Oil in the best and cheapest form.

DUNDAS DICK & CO. use more Oil of Sandalwood than all the Wholesale and Retail Druggists and Perfumers in the United States combined, and this is the sole reason why the pure Oil is sold cheaper in their Capsules than in any other form.

OIL OF SANDALWOOD is fast superseding every other remedy, sixty Capsules only being required to insure a safe and certain cure in six or eight days. From no other medicine can this result be had.

DUNDAS DICK & CO'S. SOFT CAPSULES solve the problem, long considered by eminent physicians, of how to avoid the nausea and disgust experienced in swallowing, which are well known to detract from, if not destroy, the good effects of many valuable remedies.

Soft Capsules are put up in tin-foil and neat boxes, thirty 1 each, and are the only Capsules prescribed by physicians.

TASTELESS MEDICINES.—Castor Oil and many other nauseous medicines can be taken easily and safely in *Dundas Dick & Co's Soft Capsules. No Taste. No Smell.*

These were the only Capsules admitted to the last Paris Exposition.
