APPLICATION has been made to incorporate under the Dominion Joint Stock Companies Act, a company, with the object of acquiring the necessary property and buildings for the establishment in Montreal of a Cold Storage business to be constructed and operated on the latest and most improved methods of mechanical refrigeration.

To establish this business on a sound basis 3,000 shares of the capital stock at the par value of \$100 per share will be issued. Terms of payment, 10 per cent, on allotment, 20 per cent. on August 1st, and the balance by call of 10 per cent, each, at intervals of 30 days. One thousand shares of this stock have already been subscribed and the balance is offered to the public.

The net profits are estimated to enable a dividend to be paid of, probably, 16 per cent., so the stock will rapidly go to a considerable premium. The business offering, and certain to be controlled when first-class facilities for storing all kinds of perishable goods, and keeping them in prime condition, are provided, is a guarantee of the enterprise being a pronounced success.

The property selected and acquired by the Company for the enterprise is situated on Mill Street, between the Lachine Canal and the river St. Lawrence in this city. It possesses ample water power, rail and water connections, with unexcelled facilities for loading cars and vessels direct from or into the warehouse.

Application forms for stock, and all other information, can be obtained at the office of the Company,

**218 St. James Street, = MONTREAL.**
