HER MAJESTY'S TABLE WATER.
[By Appointment.]

GODES-BERGER is a natural sparkling Mineral Water, which flows from a spring of this name, situated near the old Castle of Godesberg, opposite the Seven Mountains of the Rhine. This Water is exquisitely Pure, being entirely free from organic substances, and is the most pleasant water to drink, either alone, or mixed with Milk, Fruitsyrups, Wines or Spirits. Although not a medicinal water, the use of Godes-berger will be found very beneficial to those who suffer from nervous weakness, or who are in any way troubled with indigestion, gout, or rheumatism.

GODES-BERGER has been highly approved by Her Majesty the Queen of England's Medical Advisers, also by numerous leading Physicians in London and throughout the world.

Dr. C. FINKELBURG, Professor and Member of the Imperial German Sanitary Office, writes: "The Godes-berger Natural Mineral Water may, on account of its pleasant taste, and easiness of digestion, be continuously used as a Table Water, and is a refreshing and wholesome drink. It is to be highly recommended."

Dr. BROCKHAUS writes: "I prefer the Godes-berger Water above all Mineral Waters of a similar character."

We renovate and dye garments to the new fashionable shades, that sometimes make the owners feel we've given them a new suit instead of Dyeing their old ones.
