## "THE HORSE FAIR."

By ROSA BONHEUR.

THIS wonderful picture is one of the most remarkable art productions of the age. The figures are all life size, the canvas covering one entire end of the gallery where it is exhibited. The scene represents a number of horses being driven, and for vigor of action and grace of motion has never been equalled. In the whole work the pose is so life-like, and the drawing is so true, that you can scarcely persuade yourself the scene is not real. Not only has this picture been exhibited in all the principal cities of Europe, but it has also been in the possession of two noted American millionaires. For years A. J. Stewart cherished it as the principal picture in his gallery, and upon the sale of his collection it was bought by Cornelius Vanderbilt for \$60,000 and presented by him to the Metropolitan Museum of Art, where it is daily surrounded by groups of admirers. We are now handling a magnificent reproduction of this picture, printed on heavy plate paper, 31 inches long by 20 wide, which embraces not only all the beauty of a fine steel engraving, but enriches and intensifies the effect by combining a number of other tones and tints so as to give the finest result yet attained by any known process. As a noted critic has said of it, you may gaze at this picture a hundred times a day and each time see some new beauty to please you, and some unexpected point of strength to excite your admiration.

A copy of the above superb engraving will be given, as a premium, to every new subscriber to GRIP for a year at \$2 cash. Further, we will give a copy of the picture, post-paid, to any of our present subscribers who sends us a new name with the cash, \$2. Or, we will send the picture to any present subscriber who, before July 1, pays in full to December 31, 1889, and encloses 25 cents extra for tubing, postage, etc. Non-subscribers may secure a copy of this engraving, post-paid, for the sum of \$1, cash.

## Be Sure

To ask for Ayer's Sarsaparilla, if you are in need of a Blood-purifier—the only certain and reliable remedy for pimples, blotches, and all other eruptions of the skin. As an alternative,

### Ayer's Sarsaparilla,

after a trial of nearly half a century, is universally conceded to be the best ever discovered. It is agreeable to the taste, and, being highly concentrated, only small doses are needed.

An old lady of eighty, Mrs. Mary C. Ames, of Rockport, Me., after forty years of suffering from a humor in the blood, manifesting itself in Erysipelas and other distressing eruptions on the skin, at last began the use of Ayer's Sarsaparilla, and, after taking ten bottles, she is now, she says, "as smooth and fair as ever."

Leander S. McDonald, of Soley st., Charlestown, Mass., suffered greatly from Boils and Carbuncles, and for nearly two months was unable to work. A druggist advised him to take Ayer's Sarsaparilla, after using two bottles of which he was entirely cured. He has remained in good health ever since.
