THE DOCTORS EXTEND THEIR TIME.

FIRST three months free of charge. On account of the large number of invalids who have been unable, owing to the rush, to consult the staff of eminent physicians and surgeons, now permanently located at No. 272 Jarvis Street (near Gerrard), before January 1st, these eminent doctors have kindly extended the time for giving their services free to March 1st, therefore all invalids who call upon them before March 1st will receive services for the first three months free of charge. The only favor desired is a recommendation from those whom they cure. The object in pursuing this course is to become rapidly and personally acquainted with the sick and afflicted.

The doctors treat every variety of disease and deformity, and will perform all surgical operations free this month, viz.: The removal of cancers, tumors, cataract, polypi, etc. All diseases of the eye, ear, throat, lungs, heart, stomach, liver, kidneys, bladder, and all female difficulties arising from whatever cause; nervous prostration, failing vitality and all diseases originating from impure blood are treated with the greatest success.

Catarrh in all its various forms cured by their new method, which consists in breaking up the cold-catching tendency, to which every person suffering from catarrh is susceptible.

Invalids will please not take offence if they are rejected as incurable. The physicians will examine you thoroughly free of charge, and if incurable they will positively tell you so. Also caution you against spending more money for useless medicine.

Remember the date, and go early, as their offices are crowded daily. Hours from 9 a.m. to 5 p.m., and from 7 to 8 p.m. Sundays from 2 to 4 p.m.

THERE is a curious diversity of taste among smokers as to the kind of pipe they prefer. Some like the clay pipe best, others prefer the briar root, others again the meerschaum, some must have their pipe well seasoned before they can enjoy it, others again must have a new pipe and throw it away whenever it becomes a little old. But though this diversity of taste among them is curious, it is not at all curious that there is substantial unanimity among them about the kind of tobacco to be used. Experience has proved to them that the "Myrtle Navy" brand of Messrs. Tuckett & Son is the genuine article.

ANYONE furnishing their homes and requiring anything in the way of gas or electric fixtures and globes should call on R. H. Lear & Co., 19 and 21 Richmond Street West. This firm is headquarters for goods in these lines. We would advise you to go direct to them and get their quotations.
