

CONSTRUCTION, RELATED PRODUCTS AND SERVICES

Holzbau '90 (Information Booth)

Munich, F.R.G. – June 14-17, 1990

Wood Construction and Home Improvement

This trade fair for wood construction and home improvement is held every year between Friedrichshafen and Munich alternately. The event should attract 220 exhibitors and 14 000 visitors and promote Canadian building materials in the regional but nonetheless important Bavarian market.

Feira A.N.M.P. '90 (Information Booth)

Lisbon, Portugal – September 30 - October 7, 1990

Municipal Services

Products for the environment, water supply, waste-water and waste disposal, remote sensing, and new technologies for municipal management are displayed at this trade fair.
