

6. The sides will encourage conduct of joint scientific and pedagogical research on the organization of schooling for children of the indigenous population of the North with regard for their national peculiarities.

7. The sides will provide opportunities for the exchange of delegations of specialists to study the educational process at schools for Northern people.

8. The sides will encourage exchange on a reciprocal basis of textbooks for children of the indigenous population of the North in order to analyze them and to exchange experience and methods.

Article IV: Exchanges in the Field of Arts and Culture

1. The sides will promote guest performances of theatrical, musical, choral and choreographic groups, orchestras and individual performers. During the validity of this programme they will exchange three artistic groups, which will be considered as a part of the present programme. The terms of these guest performances will be the subject of separate negotiations and will be stipulated in separate contracts between the USSR state concert organization (Gosconcert) and the Touring Office of the Canada Council unless another agreement is reached
