

3. With respect to sanitary measures recognised as equivalent for trade purposes at the date of entry into force of this Agreement, the Parties, within their competences, shall initiate the necessary legislative and administrative actions within 3 months to implement these recognitions.

ARTICLE 9

HEALTH CERTIFICATE

When required, each consignment of live animals or animal products presented for import, and for which equivalence has been recognised, will be accompanied by an official health certificate, the model attestation of which is prescribed in Annex VII. The Parties may jointly determine principles or guidelines for certification. Any such principles or guidelines shall be set out in Annex VII.

ARTICLE 10

AUDIT AND VERIFICATION

1. To maintain confidence in the effective implementation of the provisions of this Agreement, each Party has the right to carry out audit and verification procedures of all or part of the exporting Party's authorities' total control programme as specified in Annex VI.
2. Each Party has the right to carry out frontier checks on consignments on importation, in accordance with Article 11, the results of which may contribute to the audit and verification process.
