

CANADIAN PACIFIC RAILWAY COMPANY

OFFICE OF THE CHAIRMAN AND PRESIDENT

MONTREAL

13th January, 1930.

Dear Sir Arthur,-

I have your note of the 11th instant, containing the suggestion that I might speak to the Toronto graduates of McGill some Friday or Saturday evening before Lent begins.

I would be glad to accept this invitation if you wish it, but only if you are satisfied that the attendance would be sufficient to warrant my doing so. I have to speak at the Good Roads Convention banquet in Toronto on the evening of February 27th and could, if necessary, put in an extra day in Toronto and vicinity and speak to the McGill Graduates' Association on the evening of February 28th.

I have spoken in Toronto about four or five times in as many months and, naturally, I am a little reluctant to add unnecessarily to my appearances in one city. I suppose, however, I do not need much of an excuse to speak to McGill men, but I would like to feel that more than a handful of graduates would be present. I, of course, have no idea how many McGill graduates there are in Toronto and vicinity.

Sincerely yours,

General Sir Arthur Currie,
Principal and Vice-Chancellor,
McGill University,
MONTREAL, Que.
