Sir Arthur Currie, G.C.M.G., K.C.B., LL.D.,
McGill University,
Montreal.

Dear Sir Arthur,

Following our conversation of a couple of days ago, in regard to the Chairmanship of the Board of Directors of Financial Federation for next year, I have been thinking the matter over more carefully, and discussing it with a number of those interested in Federation. We all feel strongly that it would be so much to the advantage of Federation, that we are going to ask you, if you would not consider keeping the Chairmanship for another year. We hesitate to ask this of you, knowing the many calls upon your time, but, really, your interest in federation, and your advice on the various questions that have come up, has been invaluable to us; that is our only excuse for pressing you. A change in the Chairmanship every year seems to me to be too frequent, and I know that some of the others who occupied that position held it for two years or more.

Do you think that you could see your way to stay on for another year? This is not a mere formal request, but a genuine and sincere appeal on behalf of those who are closest to the administration of Federation.

Yours sincerely,

Ross Clarkson
