Dear Col. Bovey,

Due to my temporary change of address, I did not receive your letter re "Review of Reviews" article until to-day.

I have been busily engaged in writing it for some time, and plan to complete it by Tuesday. I have got in touch with the Editor re the outline, with which he seems quite satisfied.

I will send you a duplicate copy of the article before it is actually set up.

Sincerely trusting my work will do credit to you for giving me the opportunity of performing it.—

W. Wallace R. Forth

Yours faithfully,

WWG/R.
