

Sir Arthur W. Currie.      - 2 -

I have not broached the subject to Dean Laird as due to his illness I did not wish to trouble him until I learned what you would advise.

May I take this opportunity of expressing a very sincere welcome home. We have followed your trip with much interest and are indeed pleased that you and Lady Currie have returned safely.

Respectfully yours,

*B. R. Philp*

Head, School of Household Science.

BMP/SK.
