

## TO THE VISITOR.

This is the only original, correct and reliable work in market. The author, for several years, has been personally and familiarly acquainted with all the points of interest of this "world's wonder," and great pains have been taken to make this work in every respect correct, and worthy the attention of the tourist. The different routes and places are so arranged and minutely described, that the stranger cannot be misled or hesitate. These pages are given to the public, with the belief that something of the kind is needed, inasmuch as works written by casual observers, are either unnecessarily oblix upon some points, or not sufficiently clear and explicit upon others, to meet the wishes of the traveling public. This difficulty, it is believed, is entirely obviated in the following pages.
