## The Parasite

By HELEN R. MARTIN, author of "Tillie, A Mennonite Maid." Two illustrations in color by James Montgomery Flagg. 12mo. Cloth, \$1.25 net. Postpaid, \$1.37.

### THIRD LARGE PRINTING

A brave and discerning presentment of a problem vital to every one, is this strong story of Joan Laird and Judge Randall, married only in name. It might well be termed "a novel of the unexpected," and is radically different from any of Mrs. Martin's former stories. Joan's unusual situation in the family of the Judge gives rise to individual and social problems of deep interest, which the author handles in a startling manner. "The Parasite" is a powerful revelation of human character and a phase of American social life.

---

"Frankly and cleanly told,—Mrs Martin strikes a new and a thrilling note in the music drama of love."—*Brooklyn Eagle*.

"The characters are full of human traits and the author's treatment of their problems makes this novel a true and powerful revelation of human character and American social life."—*Current Opinion, New York*.

"An immensely vital theme furnishes Helen Reimensnyder Martin tremendous possibilities in 'The Parasite,' and the fact that she realizes every one of them accounts for the novel's success. . . . The happenings contain not only absorbing character studies, but a chain of events fascinatingly told."—*Boston Globe*.

"No novel will arouse so much discussion and lead to such a diversity of opinion as 'The Parasite'—the society novel of the season."

—*Grand Rapids Herald*.
