PLENTY OF HITS WON FOR KELLEY

Leafs Bunched Them on Long Del Mason and Romped Home.

There was plenty of action in the first clash between the Royals and the Leafs at the island yesterday, but the locals crowded their liveliness into one session and beat the Howley Trailers 10 to 5.

Del Mason, he of slender underpins, was a light lunch for the Kelley slammers in the sixth, and seven hits counted seven runs. The game was over right here.

The Royals cut and slashed at Rogge thruout, and rapped out 15 hits, but could never bunch them to do any real damage.

Charlie Isaacs was at the hot corner, and his fielding and hitting was one of the bright spots of a draggy game. Trout covered a lot of ground in left field. Score:

PENNANT ASPIRATIONS BUMPED.

Curtis was in rare form in the first game for Newark, and held the upper hand thruout. Providence fielded brilliantly in both games, but the pitchers were not good. Scores:

LOOKS LIKE JOHN DUNN TO SUCCEED F. CHANCE

NEW YORK, Sept. 14.—While neither Manager Chance nor President Frank Farrell of the New York American League Baseball Club would make any statement today regarding their differences, baseball circles put much faith in a persistent rumor that Chance would remain manager for the rest of the season. Report had it that Chance would relinquish his contract for another season, calling for a salary of $20,000, and that Farrell had guaranteed to pay Chance's salary in full for this year.

Jack Dunn, manager of the Baltimore Internationals, was considered the most likely choice for Chance's successor. Dunn has been here in conference with Farrell since Saturday.

"GLAD" MURPHY IS ARGOS' CAPTAIN

Club Elect Popular Player —What the Rugbyists Are Doing.

The Argonauts had 35 out and a fine up last evening at Rosedale. Among those noticed were MacMurray, Foster, O'Connor, Burkart, Symonds, Bickle, MacFarland, Duke and Manager Huether. The players met after practice and elected Glad Murphy captain for the coming season.

The Hamilton Tigers' workout on Saturday was highly successful, and the officials of the club are confident of having just as good a team this season as they had last. Clark and Craig have failed to put in an appearance as yet, but they are expected out in a short while, and with them on the wing line the yellow and black will have practically the same team. The following men were out on Saturday: Shuart, Leckie, Palmer, McKelvie, Manson, Clements, Stowe, Wren, Chagnon, Walsh and several new men, who are anxious to break into senior company.

Johnstone, Williams, Boucher and Brophy look like the best available for the Ottawa back line. Davie McCann, if he consents to play, will again be used as flying wing.

Sinc McEvenue had a big squad out with the M.A.A.A. Saturday. The McGill man knows the game, and should make a success as coach. Montreal has never had a real leader. McEvenue may get into the game himself.

Billy Mallett will again be with the champion Tigers. He is the best double-booted back in the Big Four.

Captain Ernie Paisley of the McGill team was with the Ottawa squad Saturday. He will go to the Montreal University in the course of a few days.

Frank Shaughnessy is going to Montreal Wednesday, and will get the Intercollegiate champions out as soon as possible.

There is still said to be some doubt concerning the intentions of Silver Quilty, tho it is pretty generally understood that he will go to McGill. He was out Saturday with the Ottawa squad, and pressure is being brought to bear to have him remain in the capital, at least until after the football season. Quilty is looked upon as the best all-round player in the game, and would be a grand acquisition to any team. Mc Gill men said yesterday he was going to Montreal this week.

BRITISH RUGBY FOOTBALL.

Members of the various clubs in Toronto will please note that Tuesday and Thursday evenings in each week have been reserved at the Motordrome for practice during the fall games. As already announced two games will be played at the Motordrome every Saturday afternoon from now on to the end of October. New players are invited to join, as clubs have been largely depleted by their players having enlisted and gone to the war.

The Toronto Welsh Rugby Football Club will have a practice at Willowdale Park, corner of Christie and Bloor, on Tuesday evening, at 6 o'clock. All Welsh players are requested to attend so as the selection committee can report as to the team that will be selected to meet the Overseas on Saturday next, to be played at the Motordrome.

All players interested in the British Rugby are welcomed, and the club will be delighted to enrol members should they wish to be attached.

THE TORONTO BOYS' DOMINION AQUATICS.

Saturday afternoon and evening were busy times for the aquatic men of the T.B.D., when the first annual regatta and swimming meet was held. Commencing at two o'clock, canoe races of every description were pulled off on the Don Rowing Club course. East Riverdale easily defeated Moss Park in the paddling events, but met more than their match in the Moss Park boys when the swimming races were on the card. East Riverdale won the championship.

Billy Hay says:

"The Exhibition is over, and a happy two weeks it was, meeting old friends and making new ones.

"Despite the opinion of those who told me I was crazy to spend the money, I'm glad I went into the Exhibition.

"It was an opportunity to convince people that at 143 Yonge Street there is a store that believed in good, clean merchandising and a square deal to all — a store 'Where Quality is Never Misrepresented'—where there are courteous salesmen willing to render you the best service in their power.

"To these loyal co-workers I owe the success of our exhibit—and knowing the quality of these men, I invite you to make this store yours—at your service.

"Life is none too long—and helping each other pays.

"Let's try it."
