SOCCER SEASON IN FULL SWING

Devonians Keep Up Their Winning Stride—T. and D. Results and Records.

Devonians have opened the season in championship style. After defeating Caledonians a week ago by four clear goals they lowered the colors of the Thistles on Saturday in no uncertain manner. With swift returning to the team the men showed up splendidly against the victors of the Old Country a week ago.

Wychwood added another win to their good starting record when they defeated the Caledonians by four clear goals. The Caledonians are not playing at all certain this season and must put some steam behind their work to get in the running. It is not a creditable performance to have lost two successive games, even if they are the first of the season, by such a large majority as 4 to 1.

After drawing with Davenport on Good Friday Sunday the two points at the expense of Old Country, who have to score a full goal at the expense of Eaton's, Manchester United and Baracas could not get into the game, neither side netting the ball. After losing to Wychwood a week ago the Devonians made a fine start against Queen's Park, defeating them by two clear goals.

Uster are going great guns to start with this season. In the two games they have already played they have scored no less than ten goals, and their opponents have not been defeated once. On Saturday the Sons of Scotland put up a sorry fight against the Irishmen and were defeated by eight goals to nil. The Scottish team are certainly not in defence for they had no fewer than 13 goals scored against them already without replying.

Don Valley scored another win over the Maple Leafs who have yet to score a win. Hiawatha managed to make a draw with Hearts, and as both these teams were defeated a week ago they have managed to enter the league figures with one point each. Bank of Commerce scored their first win when they defeated Orchard on Saturday. The bank made a poor effort last week against the Street Railway but were in much better form on Saturday. Lanscahire are going strong with 11 goals already to their credit. On Saturday they defeated Fraserburgh, who defeated Orchard a week ago, by five clear goals.

Devonians and Thistles met at Eaton's field, the game going all in favour of the Englishmen. In the first half the Devonians had matters all their own way, scoring five goals to their opponents' nothing. In the second period the Scottish team came more in the limelight and scored one goal. The game was splendidly contested, the Devonians playing a rattling game. Result: Devonians 5, Thistles 1.

The line-up: Devonians—Hunt, Burns, McKenna, Clancy, Leonard, Swift, Horne, Bruce, Hopner, Moaling, Allan. Thistles—(1) Stewart, Campbell, Johnston, Buchan, Allan, Cowan, McLaughlin, Walker, Thompson, Gow, Nicol. Referee—J. Buckingham.

Saturday Scores of T. and D. Games

The following are the results of the T. & D. games played Saturday.

T. & D. RECORDS

Table with columns: Team, P, W, L, D, F, A, Pts. Lists records for various teams like Devonians, Wychwood, Davenport, etc.

Exciting Finish. A last minute goal on the part of the Hiawatha team robbed the Hearts of scoring a victory. With five minutes to go the Hearts were leading by one goal, when McAlpine, Hearts' goalkeeper, let thru an easy one. A minute later Hearts came thru and won twice in the second period both teams scored.

Bank of Commerce Won. A good game was seen at Willowvale Park when the Bank of Commerce beat Orchard by one to one. In the first twenty minutes the Bank had the better of the play, but after that things evened up. A strong fight was put up. Twice in the first half the Bankers scored, but in the second period both teams scored one goal.

Maple Leafs Whitewashed. Don Valley had little trouble in defeating the Maple Leafs on Saturday on Don Plaza. They scored three times, the latter pulled off some great goalkeeping and saved many likely scores. Blackwell scored the second for the Don Valley.

Maple Leafs' Five Goals. Lanscahire beat Fraserburgh at Leppin avenue by five goals to nothing. The game was a very one-sided affair, with the Maple Leafs scoring six times in the game. Art Jones was the star of the game, scoring on no less than three occasions. Bowman and Hammett were responsible for the other two scores.

Street Railway Defeated. Davenport defeated the Street Railway at Scarborough Beach in an easy manner by three goals to one.

FIELDER WILSON LIMPS IN RUNNING

Showing Result of Broken Leg—Leaf's Training Routine at Durham.

DURHAM, N.C., April 10.—The work of the Toronto ball team, and every other one for that matter in training, is the same today as yesterday, and it won't be any different tomorrow. It grows a bit monotonous, but the men are too keen on the game to let the routine and too dog tired at night to notice that part of it. The routine is the same as the home game every day at the island before a game—everybody taking a preliminary warm-up by throwing a ball, followed by hitting practice taken part in against the pitchers; followed by a fast half hour's fielding.

The water fairly runs off the men, and that is what they want. Good perspiration is the result of a quick hitting practice in condition. Meanwhile the eye is being sharpened, the arm strengthened and the throwing distance gauged to a nicety.

Not all of the candidates will make good. The letting out of a few of them is to be expected. Many times, but that neither argues that the team is in a bad way nor that the men let out are no good. There isn't a man in the camp who hasn't made good in this class AA company, or at least shown ability in a lower class sufficient to warrant him a trial for a place. Some of the older ones may be worn out; some of the younger ones may not yet have arrived. That is to be expected; that is what spring training is for.

Right now Manager Clymer is keeping the wires hot for good-looking big league leaguers. He is not taking anything and everything because of the present material at hand he has possibly quite a good number of little better than average major league comebacks. Any player he accepts from now on may be called up to the major league.

Left-hand hitters are already a drug on the Toronto team, and the first question asked by Clymer is whether an article offered is left or right-handed. Pev hit from both sides of the plate. Seven or eight of the best hitters in the world are left-handers. The left hand is better balanced. Jordan is left and Graham right. Hollander left. Pene right. Roach and Isaacs right, and Priestie hit from both sides.

Bert Wilson is working carefully along on that broken leg. He says he feels that more than usual. From this distance it is difficult to see, but he certainly looks as if he had taken away his great speed. It is to be hoped not much of a loss would be a tremendous pity.

E. PLANK BEATEN BY BATTING RALLY

Chicago Won From St. Louis in Eighth—Opening Games in Federal League.

At Chicago—Eddie Plank making his debut as a Federal Leaguer, was the victim of an eighth inning batting rally, which gave Chicago a quarter of three runs and a three to one victory over St. Louis in the opening game of the season on Saturday. To the eighth his cross-fire baffled the locals, not one of whom reached third, and his own double and two singles gave the victors a one-run lead in the fifth. Three hits, a fielder's choice and a successful squeeze play gave Chicago the edge in the eighth. Score: Chicago, 3; St. Louis, 1. R.H.E. Chicago, 0; 0; 0; 0; 0; 0; 3; 1. St. Louis, 0; 0; 0; 0; 0; 0; 0; 0. Batteries—Plank and Hartley; Hendrix and Wilson.

At Brooklyn—Brooklyn defeated Buffalo 13 to 9, in a ragged game before the opening of the Federal League season. The contest dragged along for more than three hours, Seaton's slow work in the box and many changes in the line-up being chiefly responsible. It is considered probable that the game will be thrown out as a crooked game of the Brooklyn, after batting for Upham, was taken out to let Howard run for him, after which Land downed the mask and finished the game behind the bat. Manager Lee Magee, who was put out of the game in the first inning for protesting a decision, explained that Watson was to have relieved Simon, but as the former had a sore finger it was found necessary to put Land behind the bat. Score: Brooklyn, 13; Buffalo, 9. R.H.E. Buffalo, 1; 0; 0; 1; 4; 0; 0; 0; 9. Brooklyn, 0; 1; 5; 0; 2; 0; 2; 8; 13. Batteries—Schultz, R. and Blair; Seaton, Upham, Lafitte and Simon.

At Baltimore—Newark signaled its entry into the Federal League by defeating Baltimore here today, 7 to 6. Ten hits were made off Quinn, who was relieved by Smith in the eighth inning. Gov. Goldsborough threw the first ball into the diamond. Score: Newark, 7; Baltimore, 6. R.H.E. Newark, 0; 3; 1; 0; 0; 0; 0; 7. Baltimore, 2; 0; 0; 0; 2; 0; 0; 6. Batteries—Falkenberg and Huhn; Quinn and Owens.

At Kansas City—Allen, pitching for Pittsburg, kept the hits well scattered and the Kansas City Federalists lost their first game of the season on Saturday, 5 to 0. Ketchum hit a home run in the fifth, scoring Johnson and Berghammer ahead of him. James A. Gilmore of Chicago, president of the Federal League, and G. W. Grimmer, president of the Pittsburg Club, were given an ovation by the largest crowd that ever attended a Federal League game. R.H.E. Pittsburg, 0; 0; 0; 0; 0; 1; 1; 5. Kansas City, 0; 0; 0; 0; 0; 0; 0; 0; 5. Batteries—Allen and O'Connor; Mack Packard and Easterly.

ONE FED. GAME ON SUNDAY. At Kansas City—Errors by the Pittsburg Federalists gave the Kansas City Club a victory Sunday 5 to 0. Perry of the Kansas City team knocked a home run over the left-field fence in the sixth inning. Score: Kansas City, 5; Pittsburg, 0. R.H.E. Kansas City, 0; 2; 2; 0; 1; 0; 0; 5. Pittsburg, 0; 0; 0; 0; 0; 0; 0; 0. Batteries—Allen and O'Connor; Mack Packard and Easterly.

One very attractive design is shown in shades of fawn and olive, with silk-lined, draw-strap sleeves as style features that are particularly pleasing.
