

*To the Chairman of the Debates Committee of the House of Commons, Canada:*

SIR,—I have the honour to present to you this volume of the Analytical Index of the Official Record of the Debates of the House of Commons, prepared under instructions received from the Debates Committee.

It provides an analytical index of the proceedings of the House of Commons for the session which commenced on March 12, 1906, and will be found to be a ready reference for Members of Parliament and others who have to make research.

The work is in two sections—a subject index and a name index. In the first section, the questions discussed are treated analytically under the subject heading; in the second section the members names are arranged alphabetically and the subjects discussed by each member follow the name in alphabetical order.

Your obedient servant,

D. MCGILLICUDDY.

OTTAWA, September 24, 1906.
