has increased four
times.

Of the total number of
thousands of packages
sold, it is fair to assume
that the major portion
were smoked by regu-

one thing—
exceptional quality.

Ski Jumping at Montreal.
MONTREAL, Feb. 24.—The Canadian
ski jumping championships were held
this afternoon at the Montreal Ski Club
grounds. Montreal, Ottawa and Berlin
Mills, N.H., were the only clubs repre-
sented and, while Alex. Olsen of Montreal
won both events, the style and the dis-
tance, the visitors from the south proved
more consistent performers, and took
practically all the other places. The mild
weather was responsible for a sticky
take-off, and under the circumstances
Alex. Olsen's winning jump of 88 feet
was considered good. There were no ac-
cidents.
Summary:
Style—Alex. Olsen, 187 points; E. Dahl,
Berlin Mills, 121; Hanson, Berlin Mills,
111.
Distance—Alex. Olsen, Montreal, 88
feet; Adolf Olsen, Berlin Mills, 86 feet;
Hanson, Berlin Mills, 82 feet.

defeating the Stawtons 8 to 4.

Ottawa Racing Plant Ready for Opening Sept. 21

OTTAWA, Feb. 24.—One of the most
ambitious horse racing projects ever at-
tempted in Canada got under way to-day
when the Connaught Park Jockey Club
of Ottawa, recently incorporated, an-
nounced that all the necessary prelimi-
nary business arrangements have been
made for an elaborate racing establish-
ment.
The club has bought a large tract of
land situated on the Quebec side of the
Ottawa River, opposite Ottawa, thus
avoiding the complications that would
occur in the Province of Ontario over
betting. As soon as the snow is gone a
track and steeplechase course, stables
for six hundred horses, immense grand-
stands, clubhouses, etc., will be rushed
to completion as to be ready for the
first race meeting, which will open on
Sept. 21.
The presence of the Duke of Connaught,
whose colors will be seen at the meet-
ing, the wealth and high social position
of the club's officers and the assurance
that bookmaking will be allowed at the
track have already brought hundreds of
responses from Canadian and American
horse owners, who welcome the addition
of a new racing meet to the Cana-
dian program, now confined to Montreal
and Toronto.

Hamilton Ice Races.
HAMILTON, Feb. 24.—The Hamilton
Driving and Athletic Association has ar-
ranged an excellent program for the ice
races at Dundas driving park on Tues-
day and Wednesday next.

"Tried It Yet?"

That's what Toronto Smokers are asking
each other this week—and the question is
asked with the "NEW TEN" Cigar in hand
or mouth.

As they whiff the "NEW TEN'S" superb

Delicacy of Aroma

—as they enjoy to the full its distinctive, "dif-
ferent" flavor—their only regret seems to be
that the "NEW TEN" only reached Toronto
Cigar Stores this week.

But it's here now—why miss it any longer?
For the better you know tobacco, the more
fully you'll appreciate and enjoy

Canadian Polo Team Win Cup at San Mateo

SAN MATEO, Cal., Feb. 24.—Aided by
a banding of its goals, the Canadian
polo team defeated the San Mateo Blash-
ers to-day 9 goals to 8, and won perma-
nent possession of the William H. Crocker
Cup, this being the final match of the
tournament.
At the opening of the eighth period
with a commanding lead by virtue of
their handball, the Canadians embarked
upon a brilliant defensive game, making
no attempt to score, but breaking up
every rally of the Blashers. Just as the
final bell had sounded Breeze of San
Mateo sent the ball between the posts
for what would have been the tying score
an instant earlier, but the referee decid-
ed that it came too late by the fraction
of a second.
Lady Herbert's team will compete to-
morrow against Mrs. Charles W. Clark's
team for the Clarke cup.

DUNLOP Traction Tread

Another Opinion:

"With my Dunlop Traction
Treads I have gone, to date,
4000 miles without a puncture
or blowout, have never used
a chain on them, and to-day
they present almost as good an
appearance as a new set, and
apparently are good for un-
limited mileage yet. What
more could be expected of
rubber?"
