Bob Fleming's Bunch Turns Out at Beach

Torontos Only Present Line-up of Eight for Initial Workout—Two Fitzgeralds in Uniform.

'Saturday's' weather was anything but favorable for a lacrosse practice, and as a result only eight of the Torontos turned out at Scarborough Beach and did a little light work. The new men in uniform were Billy and Tom Fitzgerald of St. Catharines. Dave Gibbons, the new goalkeeper from Vancouver, and Murphy Warren, a defence felder last year with Woodbridge, while Stagg, Powers, Dandeno and Longfellow represented the boys of the old brigade. Harlow and Pete Barnett were on the grounds, but didn't participate in the practice. About a dozen of the Young Torontos were out and put in a strenuous hours work.

DON'T BLAME YOUR SHOES

It's the arch of the foot that causes Corns, Bunions, Callouses, Weak Back, Headaches and a host of other troubles. And yet folks persist in asking for a pair of "Soft Shoes." Wear shoes that are made to fit your feet. You can stand, and how far you can walk without your feet bothering you. Don't take any more chances. The Shoe Mfg. Co., Ltd., 42 King Street, W., Toronto.

Only Seven Vets Turn Out for first Tecumseh Work

Only seven of the old guard turned out at the initial warm up of the Tecumseh on the island oval Saturday afternoon, but ten new stick artists were on the job and all showed considerable speed. The grounds were in fairly good shape, but the day was decidedly unfavorable to lacrosse. There was a chilling breeze, and the players were not in the best of health, despite stiffness and fat, in order to keep warm. Charlie Querrie, heap some called, put the warriors thru a hard test, and the manager himself looked to be in good shape.
