MORE RAIN AT THE RANGES

BUT THE SHOOTING GOES ON

Sergt. Huggins of 13th Regiment Makes Star Performance of Day—President's Luncheon.

Long Branch Ranges, Aug. 22.—(Staff Special.)—Eight successive bullet eyes in the Mackenzie match by Sergt. Major Huggins, 13th Regiment, was the feature of today's shooting here. The weather conditions were very good, excepting that at about 2 o'clock there came along a rainstorm which threatened to paralyze the program, but it did not, as there is an enthusiasm which counts for a lot of energy, and the matches were shot regardless of troubles.

The scoring to-day was good, as conditions favored almost every match. The day's feature was the Oester match, and E. B. Oester, M.P., entertained his friends of the O.R.A. at a splendidly furnished luncheon. Mr. Oester had some much for the O.R.A. at Ottawa, and at the ranges. He is particularly in sympathy with the cadets' work and his efforts in parliament are concentrated upon a better system of rifle shooting. He said yesterday at his own little luncheon that he was going to further rifle shooting as far as he could. He watched the firing of his own match, which brought out some good scores, five possibilities being made, as will be seen by the attached list.

Some of the gentlemen present at the luncheon were: Norman Perry, 45th Highlanders, Capt. J. H. Elmy, Major J. G. Langton, C.A.S.C.; Lieut. Col. James Ross, 7th; Major J. H. Herring, 13th; Major R.
