FARMINGANDLIVE STOCK

SHEEP AND DOGS. Many farmers urge the objection to the raising of sheep, that the dog nuisance is too great. One man in Ontario County says that his flock of 18 lambs has dwindled to two, and he is going to

No doubt there is a big loss annually to the farmers thru the dog nuisance. The attacks are generally made at sight, when it is impossible to see the intruders. Many vigilant farmers have used the rifle to advantage, but it is tiresome work and needless worry. ing him up?

as to make the land richer at the good. this is slight, and after it is done for a few times the sheep come in at night of their own accord. There is more money in sheep than in many othe branches of farming. If our farmers institutes and granges would discuss this question more, and the raising of sheep better understood, the farmers of Ontario would be a long way better off.

The farmer of to-day has to be kept in close touch with his markets and agricultural news. As one farmer put at an auction sale this week, to the gricultural editor, "A weekly paper is and goes and the report is old matter

DALGETTY'S CLYDE SALE.

The attendance was not large at James Dalgett's Clydesdale sale at the Fraser Hotel stables in London on Wednesday. The animals were a choice lot of big draughty mares that will give a good account of themselves. some 14 animals were in the shipment. and Messrs\ C. Gough of Appin. R. Guest of Westminster, T. Towers of Appin. D. K. McRae of Strathburn and Jos. Wilkinson of Westminster were the principal purchasers.

FARM CALENDAR.

Fruit growers' annual meeting, Tor-Beekeepers' convention, Toronto, Nov. 13-15.

Vegetable growers, Toronto, Nov. Fruit, flower and honey show, Toronto, Nov. 12-16. International live stock, Chicago, Dominion Grange meets at Toronto. Fat stock show, Guelph, Dec. 9-13.

Some people will boast themselves that they do not pull another one down. That is not the question-are you build-

GOOD REASON WHY.

The Toronto World enjoys the confidence of a host of farmers thrucut the province. Both sides of politics take the paper.

A farmer near Fox Lake, Wisconsin, became very enraged because some boys borrowed his gate on Hallowe'en and was seized with heart failure, dying shortly afterwards.

HANDS TERRIBLY CRACKED.

Zam-Buk Healed Them.

too slow for our sales. The sale comes Zam-Buk for chapped and cracked places has been demonstrated. Mrs. before the weekly appears."

Great success is attained in adver- Yellen of Portland adds her testimony tising the auction sales on the farming and says: "My hands were so sore and cracked that I could not put them near pages. People read it in the evening cracked that I could not be beside the cosy coal-stove. They talk water. When I tried to do so they of it as being a big sale at such and would smart and burn as if I had such a place, and it is kept prominent-scalded them. I seemed quite unable them. If the ad brings two to get relief from anything I put on them until I tried Zam-Buk, and the matter of live agricultural balm succeeded when all else had

LOUIS RICHARDSON'S SALE

A fair crowd attended the sale on Important evidence of the increasing the base line of Pickering of the farm stock and implements of L. F. Richsome manner in which leading manu- ardson on Tuesday last. The rain of facturers have remembered that great the previous day had made the roads institution during the past week. Real- very muddy, and the lake to the south izing that sons of progressive formers attend the college two well known firms have donated the best that skill in attendance were not so numerous

The implements sold fairly well. But A short time ago the International the horses did not realize big prices. J Harvester Co. generously placed in the Kate Netherby, a 1600 lb. mare 7 years c hands of the college management one old and bred to Sir Arthur was bought of their manure spreaders. In a few by W. P. Jones of Balsam for \$167 days this feat on the part of this en-terprising company was outdone by by L. Courtice of Pickering for \$130. the J. I. Case Co., who made the college a present of a brand new steam brought \$125; a year-old heavy araught traction engine. This fine engine is a \$169; the driver for nearly \$180, and a fifteen horse-power and fully equip- yearling colt purchased by Wm. ped with all appliances and coal and Squires of Audley for \$90, concluded

Turnips donations as these furnish proof that went for about 2c a bushel in the row, great minds recognise in the college mangolds about 5c a bushel, and cob powerful influence in agriculture corn sold for 50c a shock of 10 sheaves. James Bishop was the auctioneer and handled the crowd in a cheerful manner. His ready tact and good judgment easily rounded many a cor-

ner, and he made many friends. GREAT BRITAIN MUCH ALIVE Exports and Imports Increase Many

Millions. LONDON. Nov. 7.-The October

statement of the board of trade shows increases of \$15,125,000 in imports and \$25,426,000 in exports. The principal increase in imports was | and returned the goods.

\$15,000,000 in grain and flour, and the increase in exports was coals \$5,000,000, and manufactured goods \$18,750,000, of which \$5,000,000 were cotton fabrics.

Track Washed Away. ST. JOHN, N.B., Nov. 7.—A terrific easterly gale raged along the Bay of last night, the wind reaching a velocity of from 60 to 70 miles per large section of the C.P.R. track at Notre St. Andrews was wasn- a place to rent on the Kingston Road between Kingston and Pickering.

Farmstead. DAIRYING DOESN'T PAY

and Fed and Yet Average Cow Doesn't Pay, is Argued.

"If the average cow does not pay, as is frequently asserted at dairymen's with the Hydro-Electric Power Communicipality with the Hydro-Electric Power Communicipality and the missing of the representations of the representation of the represent

The fact is, man likes a dog. Certainly they are friends of man and the
keeping of them will continue, sheep or
no sheep. It is needless for anyone to
expect legislation to unnecessarily oppress the owners of dogs. They have a
right to a hearing and the tax that
prevents useless curs from becoming
too common answers all purposes.

How, then, shall we raise sheep?
The question must be looked at in the
most sensible way. As in the production of everything in agriculture, there
is drawback, and the survival of the
industry depends upon the success of
battle against the evil. We must have
sheep, because they pay. We will always have dogs. Therefore, we must
take care of our sheep.

The plani, often rehearsed by John
Campbell, that veteran sheep breeder
of Victoria County, is along the right

INDIRECTLY INTERESTED

Explanation of the Injunction Issued by Canadian Improvement Company.

shareholders of the Lake Superior Corporation for the election of directors, which was to have been held at Jersey transacting any business by an injunction issued at the instance of the Canadian Improvement Company, restraining J. Tatnall Lea, president of the First National Bank, Philadelphia, from yot-National Bank, Philadelphia, from voting on 50,000 shares of stock which had been deposited with the Philadelphia bankers as collateral security for loans obtained by the Canadian Improvement Company, and for its account only. The Lake Superior Corporation, it is explained, has no direct interest or connection with the Canadian Improvement Company, and the litigation is between the Canadian Improvement Company and the bankers in Philadelphia.

The injunction was obtained on the application of the Canadian Improvement

scaled them. I seemed quite unable to get relief from anything I put on them matter of live agricultural news, the farmer has a right to expect a quick service. He knows what is going on around him, without reading whole follos of matter. Breeders and feeders of live stock have the latest information on all live questions of the day. The farmer reads and thinks to-day. He finds that the man who is late is the loser.

Therefore, the reasons are plain why the World is regarded by thousands of farmers, as a part of their business daily. Each farmer is free to express his view on any topic near to him. Fair play to the farmer is the watchword.

A generous support by sending in a new subscriber, or by inducing your neighbor to subscribe will be a good way of talking about the farmer's Dustiness Talking about the farmer's reads and the farmer's reads and the side of get relief from anything I put on them until I tried Zam-Buk, and the baim succeeded when all else had failed. It closed the big cracks, gave failed. It closed the big cracks, gave me ease, soothed the infiammation and in a very short time healed my hands completely."

Hands that are chapped may be restored to the smoothness of health by judicious application of Zam-Buk.

The value of Zam-Buk, either as a protective, cannot be overestimated. A box should be on every dressing table.

Zam-Buk heals sores, cures eczema, the play to the farmer is the watchword.

A generous support by sending in a new subscriber, or by inducing your neighbor to subscribe will be a good way of talking about the farmer's

pany.

F. H. Clergue, on behalf of the Canadian Improvement Company, negotiated this extension with the Philadelphia banks, and, on behalf of the Improvement Company, executed an undertaking containing the above provisions, and it was provided that unless these conditions was provided that unless these conditions were compiled with, the extension should not go into effect. Upon this agreement the Philadelphia banks granted the one year's extension to the Improvement Company, but when, prior to the annual meeting, they called upon the Improvement Company to carry out this agreement. Company to carry out this agreement, the latter declined to do so, and repudiated Mr. Clergue's authority to execute the agreement on its behalf.

The Philadelphia banks, represented by J. Tatnall Lea and Francis B. Reeves, claim the right to vote this stock under this undertaking, and it is to restrain them from voting this stock that the Improvement Company has obtained the interim injunction. The meeting was therefore adjourned to permit this question to be decided in the courts.

The annual meeting, which was called

The annual meeting, which was called for Oct. 2, was adjourned on that date for want of a quorum, the officers of the Improvement Company holding a substantial block of proxies, sufficient to stantial block of proxies, sufficient to make a quorum, absenting themselves.

Mr. Lea and Mr. Reeves, representing the Philadelphia banks, and, they blaim, a very large majority of the independent stockholders, not only in Philadelphia, but also large and influential interests in New York, are unanimous in their support of the administration of President Warren, and believe that his continuance in the presidency of the company is the best guarantee for its success.

FAMILY WAS STARVING. Alphonse Menard Driven to Theft and Goes to Jail.

OTTAWA, Nov. 7 .- (Special.) -Alphonse Menard's wife and child were starving. He was out of work and could get none.

In desperation he broke into the Geaumon Fish and Game Club on the Lievre River, and stole several articles. . He was arrested, pleaded guilty, To-day the Hull magistrate sent him to jail for two months.

BOOM THE POWER BYLAW

The Industry Has Been Boomed Campaign Will Be Inaugurated as Result of Yesterday's Conference.

Nova Scotia is having serious thoughts over the same question. Dog taxes have been levied by many townships, yet still the nuisance continues.

The fact is, man likes a dog. Certainly they are friends of man and the keeping of them will continue, sheep or no sheep. It is needless for anyone to expect legislation to unnecessarily oppress the owners of dogs. They have a local property of the same question. Dog taxes is frequently asserted at dairymen's with the Hydro-Electric Power Commission that the government would build the transmission lines for the distribution of power from Ningara to the points to be supplied under the provisions of the act.

The decision was reached to urge the leading institute lecturer and farmer of Victoria County is seeking to show that the government is not paying enough attention to the beef business and to the sheep business. Money, partonage and education have been extrovage and education have been extronage and

were present, and representing the union were: J. H. Fryer, Galt, president; W. J. Lyon, secretary, Guelph; Mayor Stewart, Ald. Lewis, McLaren, Sweeney, Jutton, City Solicitor Waddell, William C. Representations of the board of the control of the art, Ald. Lewis, McLaren, Sweeney, Jutton, City Solicitor Waddeli, William C. Bremner, secretary of the board of works, Hamilton; Ald. W. J. Elliott, Ingersoll; Mayor Butler, Woodstock; Ald. Matthews, Lendon; Mayor Gordon and Ald. Dingman, Stratford; Ald. Weaver, Hespeler; Mayor Lawrence, St. Thomas; Controller Hocken, Toronto; Mayor Bowlby, Brantford; Town Solicitor A. B. McBride, Waterloo; Mayor Clare, reston; ex-Mayor Hogarth and Reeve Denton, Tillsonburg.

The many months of discussion had made most of the members thoroly familiar with the question, and the explanations made by the commissioners were received with general approval.

A campaign will be opened immediately and meetings are being arranged thruout the districts affected.

The visitors were entertained at luncheon at the Parliament Buildings.

nvalid LadieS This Is For You.

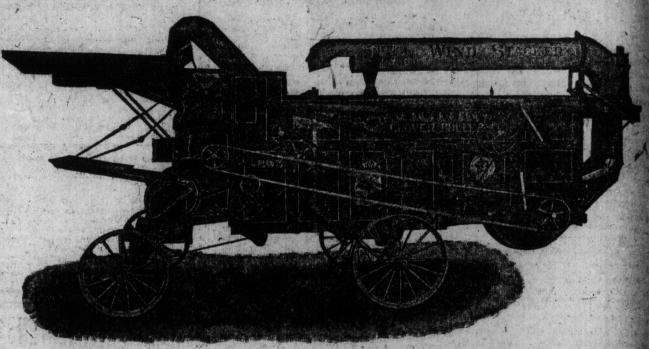

There are thousands of females who suffer untold miseries common to their sex. This is largely due to the peculiar habits of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife, and the mother) have much to do with her sufferings, most of which are endured in silence, unknown by even the family physician and most in-

timate friends. To all such whose hollow cheeks, pale faces, sunken eyes at feeble footsteps, indicate nervousness, palpitation of the heart, weak, faint and dizzy spells, we would earnestly recommend a course of Milburn's Heart and Nerve Pills.

Mrs. Jos. Sharp, Brighton, Ont., writes:
"I was troubled with palpitation of the heart, weak spells and nervous trouble, and found no relief until advised to try Milburn's Heart and Nerve Pills. I got one box and that helped me so much I sent and to five more. I am now cured comgot five more. I am now cured com-
