WILL BE A SPICY CASE.

Jim Connee Gets After His Opponents in Politics and Charges Libel in Connection With the Last Fight.

James Connee, M. L. A., is trying to get back at his opponents in the Nipissing contest for the Dominion House. He is instituting libel proceedings against James Klock, M. P.; Robert Klock of Klock's Mills, Col. S. W. Ray of Port Arthur and Rev. E. P. Gendreau. He founds his suit upon pre-election statements made in the North Bay Despatch and The Matinee Sentinel.

The Despatch, it seems, on June 9 last stated that Mr. Connee was both a Mason and a Roman Catholic and stigmatized him as being a traitor to both organizations. The paper is further accused of publishing a letter from Col. Ray in which Mr. Connee was referred to as a "smugler and a perjurer."

T. R. train. He was sent back to his place, when he was put on the brakes, when the conductor saw that he was on the track. The train passed over him and he was cut in two by the wheels.

MORE ARMENIANS KILLED. DAVIN WILL FIGHT FOR IT.

Six Hundred Persons Slaughtered in the Disturbances at Eguin—The Beginning of Another Outbreak.

Constantinople, Sept. 21.—The Porte has received an official report stating that 600 persons were killed in the recent disturbances at Eguin, in the Diarbekir district of Armenia. The Kurds attacked the Armenian quarter of the town, pillaged and burned the houses, and killed as many of the inhabitants as they could find. Numbers of the Armenians succeeded in making their escape to the mountains. It is feared here that the massacre at Eguin is the beginning of a fresh series of massacres in Armenia, which have been suppressed for some time.

He has replied to the letter in a sarcastic and cutting manner. He stated that the Government's policy in the matter was a failure and that it was a pity that the matter was being discussed at all.

AROUND THE BAY.

Small Craft Had a Hard Time Getting Into Shelter—Strong Wind and Storm.

The lively storm of Saturday cleared the bay of a lot of wreckage, and as far as is learned, there was no loss of life, but the fishermen had a hard time beaching their boats. The Lakeside got a bad part of the storm, but stood it well. The Hamilton and Corcoran of the E. & O. N. Company arrived from Montreal early Sunday morning and on their way to Presque Isle Bay, their passengers were taken upon the steamer Alexander, and the boat is not yet back.

CAPTURED AT THE FALLS.

Niagara Falls, Ont., Sept. 21.—(Special.)—Officer Mains of the Ontario Police Force made a clever capture here this morning in the person of Thomas Craig, who escaped from Goderich Prison about a year ago. A telegram giving a description of the prisoner was received here late Sunday evening, and by 10 o'clock this morning Officer Mains was in Niagara Falls. LIFE IMPROVEMENT.

An Important Subject to be Discussed at the Prison Association.

Pittsburg Pa., Sept. 21.—When the National Prison Association meets in Milton on Sept. 23, the delegates, who are being invited from all over the world, will probably be asked to consider the case of Dr. Gallagher and Geo. Barker. The case of Dr. Gallagher is a most interesting one and will be a most successful one.

AT TORONTO THEATRES

LILLIAN RUSSELL. Those who saw Lillian Russell and her company in the Grand Opera House last night enjoyed a spectacular treat of beauty, with splendid scenery. The dialogue also is good and some of the incidents of the play were very funny.

AN AMERICAN HEARTY. It is indeed full of merit, both in the libretto and musical setting, judged from a comic opera standpoint. Mr. Highmore, the author of the libretto, has done a good deal of cleverness, and Mr. Gustave Kercher has conceived appropriate music, with special excellence in the choruses. The orchestration, however, is rather commonplace and somewhat monotonous.
