Danger Lies in the Bottle ton, M. A., B. D., who died at Gravenhurst Delivery System.

THE PROCESS OF CLEANING

Is Not Satisfactory in Many Cases, Says the Medical Health Officer.

Bottles Will Hardly Stand the Heat Neces-

estigation he found that the dairy that he afterwards ordered to be closed was supplying milk to quite a number of families in which scarlet fever had broken out. A Gver reful inspection of the cattle belonging procured, but when it was found that there was no abatement of the outbreak procured, but when it was found that there was no abatement of the outbreak procured and cleaned out from top to bottom. This was done, and about a week ago mike was again allowed to be delivered from this dairy and ne further outbreak has been reported. There is every reason to suspect that the infection was carried from the bottles to the brushes used for cleaning them, in fact, the doctor says he only knows of two dairies in which the cleaning process is properly carried on. Very few of the bottles used by dairymen will stand the heat necessary to sterilize them. The majority of them will crack, and it is not unnatural that some of the dairymen apply less heat that is required to destroy the infection. by the Ontario Government when the ported. There is every reason to suspect that the infection was carried from the bottles to the brushes used for cleaning them, in fact, the doctor says he only knowed the first of the bottles to the brushes used for cleaning them, in fact, the doctor says he only knowed through the province, having a 222 foot span in the province the swift current averages a depth of 55 fect. It is being constructed by the Peterboro Bridge & Ennineering Company, the Crown Lands Department devoting the sum of \$2140 to it in the estimates with the work will be completed in about a month. The bottle system looked upon as a splendid in-movation. Housekeepers were

The Street Railway receipts for the month of June show an increase of \$6,820.03 over the receipts of the same month last year. These were 30 working days in the month this year, while in cluded four Sundays, while in June last year there were but 26. The figures are as follows:

two or three minutes, but when he arrived at the latter place the parcel had disappeared of F. J. White against the assessment on Jarvis, Sherbourne and other streets. The reductions made yesterday were as follows:

Thomas Mounce, 123-123-130 and 132 Met caife, from \$1000 to \$900 on each house: estate Robert H. Abraham, 67 and 69 Winchester-street, \$2:00 off each house; A. N. Oldham, 43 St. James-avenue, from \$40 to \$37 per foot on land, and from \$1350 to \$1250 per foot on by the C. P. R. between Hamilton, Toronto, Ottawa and Montreal, in order to accommodate the heavy traffic in fruit.

Twenty-six cars of export stock went through to \$37 per foot, also on St. James-avenue, Ida Callaghan, 60 Ontario-street, from \$25 to \$20 per foot; Elizabeth Pannell, Yonge-street, from \$80 to \$75 per foot; John Johnson, 773 Yonge, from \$130 to \$120 per foot. Hugo Block, Glen-road, from \$30 to \$25 per foot.

Grders for Pavements

Squalizing Water Rates. The sub-committee, composed of Aid. Crave, Allen, Lamb, Saunders, Dunn, Scott and Sheppard, will meet to-day to consider the question of equalizing the water rates. Where to Go Sulmming. Another complaint has been registered against hude bathers on the water front, this time by Mr. Stewart of Osgoode Hall. The City Solicitor has reported that special provision is made for free bathing without clothing between Woodbine-avenue and the line of the Don and on the Garrison Commons frontage between 5 p.m. and 9 a.m.

The Jubilee Committee. The Jubilee Committee wound up affairs under its care yesterday. Accounts to the amount of \$105 were passed. The Philharmonic Seciety lost \$490 on their concert or June 21, and, as it was part of the Jubilee celebration, the committee recommended that \$200 be granted the soci-ty to help them out of the hole. The contasts for the prizes now on hand for the Boys' Brigade will be held on Children's Day during the Exhibition, if arrangements can be made.

The Bunkar Property. The Bantan Property. The sub-committee appointed to examine the property leased by John Hanlan at the Island will report that the city should not take over a part of it, as requested by Mr. ) anglan, unless the latter foregoes his claim for improvements.

The Mayor and a number of aldermen yesterday visited the establishment of the Toronto Furnace Company, King-street east to witness the experiment of making gas from garbage. Mr. L. B. Harris, a young Torontonian, who has been investigating the matter for some years, conducted the experiment. His apparatus is simple, and the results supprised the Mayor and aldernien. A good quality of Illuminating gas was produced, and the possibilities in this particular direction seem great.

The Board of Cortal Notes.

The Board of Control will meet to-day at o'clock.

The brick pavements on Grange-avenue and Dovercourt-road were completed yesterday.

The Local Board of Health met yesterday, passed fr. Sheard's report and accounts and adjourned until after the Exhibition. A deputation of Charles-street property owners will wait upon the engineer on Monday at 10 o'clock in reference to a pavement.

ment. Dufferin-street is new in the hunds of the contractor, who is putfing down a brick payenent between the Street Railway tracks. As it will be impassable on the 12th of July, the Orangemen will go to the Exhibition grounds by way of Tyndailavenue. An effort will be made to have the street completed by the 15th inst. for the Epworth Leaguers, who will hold a field day on the Exhibition grounds.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cause of headache. Parmalee's Vegetable Pills, taken before going to bed for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have ir stock."

## THE LATE REV. JOHN BURTON

uneral Services Yesterday at Both Gravenhurst and in Toronto-Great

on Tuesday, were brought to this city on the Muskoka Express last evening, accomof the deceased, and Mr. A. P. Cockburn, who is an elder in the church at Gravenlurst where the deceased officiated.
Every mark of respect that could be accorded a loved pastor and revered citizen
was extended toward the deceased. A very
large number of residents accompanied the
remains from the mause to the church,
where the service was conducted by the
members of the Barrie Presbytery, those
taking part being Rev. Dr. Clark, Bracebridge; Rev. Mr. McCloud, Barrie; Rev. Dr.
Grant, Orilla; Rev. Mr. Noble and Rev.
Mr. Moody. The service was a very affecting one, the life and work of the dead man
being feelingly referred to by his brother
ministers. During the progress of the
funeral cortege to and from the church the
business of the town was suspended, the
blinds being all drawn, a general feeling of
sorrow at the loss of a good citizen being
apparent.
Upon the arrival of the remains at the who is an elder in the church at Graven-

Completed and Ordered to be Commenced Court of Revision—City Rail Notes.

Medical Health Officer Sheard yesterday gave The World some facts about the connection that had been traced between the scarlet fever epidemic and the milk supply. The doctor says that by careful introduced by the connection that had been traced between the scarlet fever epidemic and the milk supply. The doctor says that by careful introduced by the connection of the remains were conveyed to their final resting place in Mount Pleasant Cemetery. Rev. Dr. Greig conducting the last sad rites.

NEW ROADWAY BRIDGE

found to be in a perfectly healthy condition. Suspecting that the infection was carried in the bottles, 1200 new ones were procured, but when it was found that there

sand conscientiousness of the man forms it.

Street Railway Receipts.

Street Railway receipts for the June show an increase of \$6,820.03 receipts of the same month last here were 30 working days in the its year, which included four Sundile in June last year there were The figures are as follows:

The figures are as follows:

Beccipts. City's Share.

Greers for Pavements

The City Engineer has issued orders for the following works: Weflesley-place, brick pavement; Elim-avenue, gravel pavement; Beacons field-avenue, gravel pavement; Beacons field-avenue, gravel pavement; Beacons field-avenue, gravel pavement; Penning street, brick pavement; Collier-street, brick

Taginative a result of the accounting department of the eastern division of the C. P. R. has been transferred to McLeed, Alberta, in connection with the construction work on the Crow's New York.

Opposite Grace Church, European Plan.

Mrs. Allen, vidow of the late Dr. James Young Allen, passed away yesterday at the residence of her daughter, Mrs. McEachern, after a short illness, at the advanced age of 82. Mrs. Allen was the eldest daughter of the late Capt. William Cole-Hamilton Walsh of H. M. Sth Foot, or King's Regiment. Three sons and two daughters survive her—Messrs. James and Albert Allen of New York City, and Mr. Henry S. Allen, Mrs. D. George Chesnut and Mrs. P. McEachern of this city.

May End tu a Perjury Proscention. James Puddy, 122 Royce-avenue, was sent to jail for 30 days on June 7 for stealing a roll of carpet, which had dropped from one of John Kay, Son & Co.'s wagons. A couple of days after the sentence Mayor Fleming went to Ottawa to secure his release, and having in his possession affidavits saying that Puddy had notified Kay & Co. that he had the carpet in his possession before Detective Duncan located it on his premises. On these affidavits Puddy was released after serving 17 days. The Crown authorities state that they will prosecute the makers of the affidavit for perjury.

Indianapolis, Ind., July 7.—John Reynolds, for 30 years publisher of The Oddfellows' Talisman, and one of the best-known Oddfellows in the United States, is dead, at his home in this city. Mr. Reynolds was 70 years of age, and had for several years been suffering from fatty degeneration of the heart.
