

We went to Ste. Rose and held our Annual Pic-nic on Saturday, the 26th June, which was most successful, the attendance of scholars and friends being larger than ever before.

There is a well filled Library of good books for the children, and they are liberally supplied with periodicals and tracts, with which they are greatly delighted.

Prizes are given to those who have recited correctly the Shorter Catechism and the Golden Texts for the year. Also a silver medal and books to those who have brought in new scholars during the year.

The lady teachers have met as usual on Tuesdays since October as a Dorcas Society, and distribution of a quantity of clothing, boots, etc. has been made to those children who require such assistance.

The children have met on Tuesday evenings since October, as a singing class for the practice of hymns, led by Mr. A. Hyde and the Misses Norval and Dawson.

The Band of Hope meetings have been resumed, and are held every Friday fortnight; they are largely attended, as they are made interesting for the children, who are taught the evils that are connected with intoxicating drinks.
