New York, Nov. 30 .- The Eevening

"No small stir was created in Lib-

last Liberal Government, at Rugby

last night, and repudiating Mr. Mor-ley's attempt to hush up the long-

standing difference between Lord Rosebery and sir William Harcourt,

FOOTI ALL ST. THOMAS VS. LONDON. At Tecumseh Park on Saturday afrnoon the St. Thomas and London Rugby football teams played an exhi-bition game, which was very one-sided. The visitors were far less experienced than the home team, and did good up-hill work from start to finish, Bain at quarter-back making some excellent plays. The Londons formed many good combinations successfully, and at half time had scored 21 points, while he visitors were still at zero. In the

second half neither team scored.

St. Thomas had the choice of goals, decided to face the strong, cold wind that was blowing. It was London's kick-off, and their wings were up to the ball before St. The mas could return it. After several scrimmages he ball was passed to the home halfbacks, and they, after good combin-ation work, kicked it over the St. nomas goal line and rougedl. Sippl cured the ball after St. Thomas' kick-off, and carried over the line for chdown, and Niven converted the try from a difficult position. Four more touchdowns were made, two being converted, one by F. Macfie, and one by H. Niven. Three of the touchdowns were made in quick succession, and in a very short time 16 points were obtained by the Londoners. In the nd half St. Thomas several times second half St. Thomas several times kicked the ball over their opponents' goal line, but in each case it was returned by the full-back before a score could be made. ORDER MUST PREVAIL. Disorderly conduct upon the baseball field may not be so prevalent next year as it was last summer, says O. P. Caylor, in the New York Herald. The National League magnates have agreed upon a plan to compel the umpire to enforce the rules—something he as not done for years.
