Little Change in the Street Railway Situation at Cleveland-Fewer Cars Running in Brooklyn.

Hamilton, July 20.—The Gurney-Tilden Company has granted an increase of 10 per cent to the stové-mounters in that foundry, all of whom are on piece work. The D. Moore & Co. foundry's mounters are all on day work, and they were also given an increase amounting to 25 cents a day. Owing to the fire at Burrow, Stewart & Milne's foundry and the absence of Mr. William Copp. of Copp & Co., from the city, the mounters in those shops were unable to get answers yesshops were unable to get answers yes-terday. THE CLEVELAND STRIKE. Cleveland, Ohio, July 19.—There is little change in the street car strike situation here this morning. Cars are now being run at regular intervals on nearly all the lines. No violence has been reported since early last night, when a switch was blown up on Murray street by the explosion of dynamite.

IN BROOKLYN.

New York, July 20.-There was marked reduction in the number of passengers carried in the morning rush hours today, as well as a slight reduction in the number of cars in operation by the Brooklyn Rapid Transit Company. The elevated roads and the Dekalb avenue and Smith street street surface roads were taxed to their utmost carrying capacity in consequence. No disturbances beyond one or two minor assaults occurred during the night.

IN NEW YORK. Today opened in a quiet fashion, so far as the railroad strike in Manhattan borough was concerned. Almost without exception the cars started from the barns on schedule time, and at six o'clock there seemed to be no indication of trouble, at least, in the early hours of the day. When the first cars started this morning two policemen were on each car, and the early trips were without incident.

NO SOLDIERS CALLED OUT. York, July 20 .- In all the big car sheds over the city, as well as those of the Second avenue, large numbers of policemen slept last night in order to be prepared for outbreaks when early cars were started this morning. But there was little for them to do, for the cars started out in good time, and went on their way as though there was not even talk of a strike.

### THE MASONS

Annual Meeting of the Grand Lodge at Ottawa-Officers Elected.

Ottawa, Ont., July 20.—The Masonic Grand Lodge of Canada opened here yesterday with 600 prominent Masons in attendance from all parts of the province. The communication is the 44th in the history of the grand lodge. Mayor Payment formally welcomed the visitors, and after a reply from Grand Master Malone, of To-ronto, Geo. S. May, on behalf of the seven Ottawa lodges, extended greet-

ings from the craft in Ottawa. Grand Master Malone, in his annual address, spoke with pleasure of the continued growth and prosperity of the order. Over 1,000 new members have been added during the past year, and one notable feature in this increase is the large number of clergymen.

REPRESENTATIVES NOMINATED. The grand master reported that he had recommended the following brethren to represent the grand lodges named near the Grand Lodge of Can-

In this connection the G. M. suggests that as there is no solid reason why one brother should represent more than one grand lodge, several positions which are now so held be declared vacant, and filled by new appointments. The services of R. W. Bro. J. C.

Hegler, who performed the duties of D. D. G. M. of Wilson district in the absence of R. W. Bro. C. L. Merrett, are recognized.
