

1st to 13 Cold with occasional
frost & some rain

13 to 20 Very warm
quite as warm as any
weather through the summer

On the 23rd
the Scales,
Zodiac. The
and as it en-
tive circles
south; cons-
over the glo-
Scales.

To Preserve
earthenware
them by a p-
with a mixt-
air tight. A
four bushels

The same
of last month
od we may
until the 25th
weather will
