5th. It frees the head from dandruff, strengthens the roots, imparts luster and vigour to the hair, and prevents the hair from changing colour or getting grey.
6th. It causes the hair to curl beautifully when done up in its coverings.

Hay's Liment for Piles.

Dr. Shubael Heves' celebrated Rheumatic, Nerve and Bone Liment.

APPLIED morning and night, has cured hundreds of the most obstinate and dangerous cases of Rheumatism, Gout, and other affections of the limbs, and will take swellings down, and inflammations out of the flesh, rheumatism, bruises, and sprains.—It gives relief, it strengthens weak limbs, and extends the cords when contracted.

Eustace & Temple's Invaluable Gonorrhoea Mixture.

AT length has been discovered an infallible and invaluable remedy for the cure of the most obstinate chronic and common cases of Gonorrhoea in five days. The dangerous and useless remedies which have hitherto been offered to those who have unfortunately incurred the above troublesome disease, is a subject which has justly merited the censure of the faculty, and produced in many cases, very serious and alarming effects. To guard against these abuses, Eustace & Temple have been induced to prepare a preparation which is attended with no danger whatever, and is active and efficient in curing the disease, without any trouble to the patient. The proprietors have been studious in this particular, as many persons cannot spare the time, or suspend business, to undergo a regular course of medicine and regimen.—this preparation will entirely obviate the necessity of this course to be pursued is exceedingly simple, and will not interfere with the regular duties of business; and if the medicine is used according to the directions, it will effect a speedy cure in five days. As to its decided efficacy, we will barely remark, that since its use in this city, there has not been a failure in a single case, and there are many both of the faculty and otherwise, who have already testified with pleasure to its decided superior qualities. Its taste is perfectly agreeable, and persons of the most delicate stomachs have used it without any inconvenience whatever.

Look to your Pantries and Bedrooms.
Roach and Bed Bug Bane.

THE Subscriber has for some years been in the habit of supplying many families with a certain quantity of this medicine, for the destruction of roaches, bed bugs, and other vermin, which he has found to be a most efficacious remedy, and has a great number of testimonials in his possession, to prove the efficacy of his medicine, and the safety of its use. He now has the positive assurance of a great number of citizens, some of whom are the most wealthy and fashionable ladies in the city, that his Bane is in all cases a sure and certain remedy; and these testimonials are in the hands of his Agents, where any one wishes to procure some of his preparations. This is better than all the puffing of a thousand unknown names; and it is a full proof of its efficacy. BANE S. SAUSWOLZ.

HEADACHE.
Dr. Spohn's Permanent Cure for Sick Headache.
HEADACHE.—This disease is one which arises more miserably to the human family, than any other. It is generally supposed, not being directly fatal, it is often neglected, or persons resort to such to the use of purgatives and other medicines, as to impair their general health, and often induce fatal diseases. The article now offered, seems to have overcome these difficulties. While its effects are most powerful and immediate in curing an attack or keeping it off; it is perfectly mild and innocent, and to be used for infants with the greatest safety.

Whitin's Patent STRENGTHENING PLASTER.

DR. WEAVER'S Celebrated Worm Tea and Salve.

THE proprietor in recommending this long tried and celebrated medicine to the public, is supported by the infallible test of experience which it has stood for a great number of years without any success, as well as by the testimony of most respectable citizens, who have used it in their families.

The action of the medicine is not only to expel worms, but by its Tonic power, to restore the system to its natural state, and to give tone to the digestive organs, on which their production mainly depends.

DEPILATORY POWDER,
For removing all superfluous hair.

Dr. Spohn's Elixir of Health.

THE leading point, to theory upon which the great use of this Syrup is predicated, is that the stomach is the seat of all diseases of a febrile nature, and any disorder incident to the stomach is cured by this article. There is therefore no fever or cold, asthma, inflammation or delirium, or sickness at stomach, (except with females, *menstrue*), or dysentery, or jaundice, or dyspepsia, but what it will cure. The only thing is that people should be patient and depend upon it. For asthma it has no equal.

DOCTOR LITTLE'S LOTION.—This wash absolutely cures SORE EYES, most perfectly than any other Eye Water or Salve whatever, and it is not only the least injurious to inflamed eyes, but it is the most powerful remedy, leaving them from the bottom in an most incredible short time. The oldest and most inveterate Fever Sore are cured.

ESSENCE OF TYRE, for changing red or grey hair to brown or black.

DR. SCUDDERS' GENUINE ACOUSTIC OIL,
For Deafness.

BLEACHING LIQUID.—Warranted to remove stains, spots, iron rust, ink, &c. from linen, muslin, straw, and all such articles, without in the least degree injuring the texture. It is a useful and economical article for families, and particularly for milliners. Country merchants also find it much in demand.
