DUFFY LEWIS RATED AS GREATEST MONEY PLAYER IN BASEBALL

New York, July 10.—Billy Murray, former manager of the Phillies and a shrewd baseball observer, seldom misses a game at the Polo Grounds. Almost every day Murray can be found over back of third base with Joe Maxwell, Steve Hurdan, and other cronies from down town. Discussing the afternoon combat, Murray said:

"I can pay Duffy Lewis no higher compliment than to say that he is one of the greatest 'money players' I ever saw. Sporting men know just what that term means, but to those who are not so well versed in the argot of baseball it may require some explanation."

"The idea I mean to convey is that Lewis is one of the nerviest and most successful players I ever saw up at the plate in a pinch. You may remember a few deeds he accomplished in world's championship games. One that I recall was a home run in the Philly park in 1915—the time they said the Phillies might win by hitting the ball over those short fences. But Lewis and Hopper took that stuff right away from them, as I remember it."

"I have seen nearly every game the Yankees have played at home this year, and I don't recall a time when he has not advanced runners when it was up to him to bunt. Two or three times he has delivered the badly needed pinch hit as he did yesterday afternoon, when the Yankees were all but out. Duffy made a slow start last spring—but, boy, how he has been playing since! He's a great ball player, take it from me."

The annual picnic of the Victoria street Baptist Sunday school was held yesterday at Crystal Beach. The D. J. Purdy and the Majestic carried merry groups of holiday-seekers both young and old up river. The first boat left at 8:30 in the morning and in the afternoon the boat left at 2:30. A record number went up to the picnic which was very successful.

INFLAMED GUMS—THE CAUSE OF TOOTH-BASE DECAY

Just as the strength of a building is dependent upon its foundations, so are healthy teeth dependent upon healthy gums.

Permit the gums to become inflamed or tender and you weaken the foundation of the teeth. This condition is called Pyorrhea (Riggs' Disease). Loosening of teeth is a direct result. And spongy, receding gums invite painful tooth-base decay. They act, too, as so many doorways for disease germs to enter the system—infecting the joints or tonsils—or causing other ailments.

Pyorrhea (Riggs' Disease) attacks four out of five people who are over forty. And many under that age, also. Its first symptom is tender gums. So you should look to your gums! Use Forhan's, which positively prevents Pyorrhea if used in time and used consistently. It also scientifically cleans the teeth—keeps them white and clean. Brush your teeth with it.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

In the police courts of New York state it is getting to be a common practice to sentence minor offenders to a term of saving, and in Syracuse last year \$8,000 was invested in this way in War Savings Stamps, all later returned to the owner or used to help their families. At Niagara Falls, when David Broderick was placed on probation six months ago to give the state a probation officer \$12 a week for War Savings Stamps, he complained bitterly. At the end of six months he was handed \$239.50 worth of stamps, and he has voluntarily placed himself on
