Annapolis Man Celebrates 96th Birthday—Third Wife Relative of Charles Tupper

Wesley Bent celebrated his ninety-sixth birthday at Maynard, Mass., last week. He was born in Annapolis, N. S., on January 9, 1817, and has lived there nearly all his life, with the exception of several winters spent in the States.

As Mr. Bent smoked a corn-cob pipe on his birthday, he said he had smoked all his life and had also taken an occasional drink of liquor without any harmful effect. His treats were both long-lived, his mother dying at the age of 97, and his father at the age of 92.

Mr. Bent has been married three times, his third wife, who is living in Annapolis, a relative of Sir Charles Tupper, and is 59 years old. They have had five children, four of whom are living, the youngest being four years old. The father is in the best of health and expects to live another score of years.

MINSTREL MAIDS WILL HAVE LADIES' ORCHESTRA

Much interest is felt in the appearance of "Maudie's Modern Minstrel Maids," at the Opera House this week, beginning tomorrow afternoon at three o'clock. A minstrel circle, musical comedy, dancing, etc., together with a ladies' orchestra, all for exceedingly popular prices, cannot but demand attention of amusement lovers; three shows daily, afternoon at three, o'clock, evening at seven thirty and eight forty-five. Seven or eight pretty girls and three men comprise the stage company, which is augmented by a ladies' orchestra of 15 or 20 years old. They have had five children, four of whom are living, the youngest being four years old. The father is in the best of health and expects to live another score of years.

Jack—"Yes, I know—but not gold-fish."

Don't Say You Can't Eat

You'll Never Have Stomach Trouble After You Read This, and Act On It. **Stuart's Dyspepsia Tablets** Are the Open Secret.

Thousands of people who hadn't really enjoyed a meal for years have found their stomach a new lease of life through the wonder-workers, Stuart's Dyspepsia Tablets. They promptly put an end to flatulency, heartburn, indigestion, sick headache, dyspepsia, burning sensation, brash, fermentation and the other ills attendant upon a disordered stomach.

The tea house given by Joseph Allison, the southern drive which skirts the shore of Lily Lake has long been a place of resort for the people of the town. The head gardener's report will be presented at the meeting. It is only necessary to add that the appearance of the gardens has been as attractive as ever.

ROADS.
The only new piece of roadway which has been constructed this year is one of some 300 feet in length which now connects the road from the main Mount Pleasant entrance with that leading to Seely street. This has been thrown open to automobiles and while giving access to the cars from one entrance to the other does not interfere with the driving of horse-drawn vehicles in the park generally.

The carriage drive which skirts the southern edge of Lily Lake has long been a place of resort for the people of the town. The head gardener's report will be presented at the meeting. It is only necessary to add that the appearance of the gardens has been as attractive as ever.

BUILDINGS.
Some of the required extensive repairs, especially Charles Taylor's dwelling at the eastern entrance, which was given a general over-hauling. The barn, too, required attention. New sills were put in place and some clap boarding and shingle work done.

The tea house, the barn, the caretaker's dwelling, the pleasant house, the sign posts and the posts of the deer enclosure were all painted and their appearance thereby greatly improved.

The old dilapidated shanty near the lake, which had been replaced by a most sightly little building the design of which was prepared by Garret W. Wilson, architect, which, with the oversight of the work, was given entirely gratuitously to the park, for which the thanks of the association are due.

PAVILION.
This large and handsome structure was totally destroyed by fire in the summer, a loss greatly to be regretted especially as the restaurant was being well patronized and apparently appreciated. The building was erected under his lease by Mr. White, but passed into other hands. Although the ownership would eventually have fallen to the association the interest of the association was not at the time of the fire such insurance on the building the association did not have thereby.

The two small booths which formerly stood by the side of the road in front of the pavilion have been converted into small deer houses by Head Caretaker Henry whose intelligent work in the park

REVIEW WORK AT ROCKWOOD

Park Management

The Park Management Committee submitted the following report:

Much of the efficient effort of the late George S. Fisher, the honorary superintendent of the park, whose death was greatly deplored by the association, was devoted to the laying out of new roads and paths. The carriage drives in the park are in all about twelve miles in length—besides the foot paths probably more than half that length. The committee think that at present at least there is sufficient mileage both in roads and paths and they have therefore directed their attention largely to the betterment of what exists rather than to extension work.

For Two Years SUFFERED SEVERE PAIN IN THE BACK.

Many people fail to understand the significance of a lame, weak, sore or aching back.

When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Take notice to the warning and cure the backache on the first sign, for if you don't do this, serious complications are sure to arise, and perhaps develop into Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble.

Don's Kidney Pills go right to the seat of the trouble, cure the back and prevent any further trouble from the kidneys.

Mrs. D. J. Melania, Carleton, P.E.I., writes:—"For two years I had a severe pain in my back. I was so bad that when I would stoop down I could not straighten up for quite a time. I got a box of Don's Kidney Pills and they helped me so I kept on using them until I had used three boxes, and now I am completely cured. I think they are the only remedy for disordered kidneys."

Don's Kidney Pills are 50 cents a box, 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. M. Burns Co., Limited, Toronto, Ont.

When ordering direct specify "Don's."

HEROIC ENGINEER IS LIKELY TO RECOVER

Blake Risked Life But Saved Those of Train Passengers

Boston, Feb. 5.—Advice received at the office of the United States Railway Mail Service are to the effect that George Blake, a locomotive engineer, who was terribly scalded on his engine while heroically endeavoring to save the fast train which left Boston for New York a week ago Saturday, would recover from his injuries.

The train was the first of two sections, and was speeding along through South Lynn, Conn., in the dusk at some sixty miles an hour, when a steam pipe burst in the engine cab just over Blake's head.

The engineer was blown from his seat by the force of the explosion, but with great presence of mind he shut off the steam from the engine and then, although partially stunned by the blow on the head, tried to reach the air to apply the brakes.

The left side of his face and neck were badly scorched, but the most serious burns were caused by the scalding steam through which he reached to get at the air valve. Probably not one of the hundreds of passengers back in the coaches knew of the heroic act of Blake whose nerve had saved the train from possible disaster.

Blake lives in Woodmont, Conn., and the consensus of opinion of railroad men in general and especially the United States railway mail men on the train, is that if ever a man deserved recognition for bravery it is George Blake.

RECENT DEATHS
The death of Mrs. Lynott, widow of Hon. James E. Lynott, occurred on Monday at her home in St. George. She is survived by three sons, Sylvester of Woodstock, Charles and Wallace at home.

Mrs. William Guy, formerly of Green Road, Carleton County, died on Monday in Vancouver, aged sixty years. She is survived by one brother, John Kennedy, of Debec. The body will be brought to Debec on Friday and the burial will take place at McKenna's Corner.

Mrs. William Johnston, aged eighty-four years, died on Monday at the home of her son, William, in Debec. She is survived by six sons and one daughter.

Fresh from the land of the heather, "The Little Minister," breathing forth the sweetness of his land love, and telling an appealing story of tenderness and appeal; in three reels, at Gem today.

THE NAVAL DEBATE.
The followers of Mr. Borden in the commons were silent yesterday when several sharp thrusts were directed against them on the navy question. Mr. Turgeon of Gloucester, N. B., resumed the debate and ridiculed the idea of an emergency "which was postponed from time to time, to suit the convenience of the premier and his ministers, and which must be most accommodating." Levi Thompson of Qu'Appelle and Hon. Charles March, ex-speaker also spoke.
