One True Medicinal Whiskey

Beware of Imitations While substitution is not a part of modern merchandising, it is still practiced to a greater or less degree by a few merchants who haven't the courage to compete with their fellows along legitimate, fair, lines, or who do not care for their customers' health, but their own profit only.

Substitutes Are Dangerous

And any merchant who practices substitution is unworthy of the public's confidence. When a remedy has been before the public for more than half a century, has been prescribed, and used by the best doctors and in prominent hospitals, when it has carried the blessings of health to so many thousands of homes of the sick as Duffy's Pure Malt Whiskey has, imitations are bound to arise. Be sure you get the genuine.

Duffy's Pure Malt Whiskey

Little Beauty Chats

A Neck Defect

THE greatest trial for the woman whose years are beginning to show is her neck. It is here that the minute lines and cross-wise creases first appear, showing that the spring of youth is over. However, these tiny furrows do not make a woman look as old as does the chunk of fat that disfigures the nape of the neck. I defy any woman to look young and attractive if every time she holds her head correctly—which means thrown well back—the pretty line of the nape of the neck is lost to view beneath a lump of fat.

If you happen to be possessed of this beauty ill, then hasten to treat it harshly as mild measures are of no avail. What must you do? Why sleep and pound the obnoxious fat every day of your life. This may sound too strenuous, but if you are somewhat of a Spartan I think you will wage this fat-reducing war to its happy ending.

Now, attention! Dampen the palm of one hand with spirits of camphor, then lift your hand high in the air and bring it down with a decided thrust on the nape of your neck. Again raise hand, and again slap the chunk of fat with emphasis. Continue thus for three minutes then moisten the palm of the other hand with camphor and proceed, in turn, to smite the back of the neck with it for a period not exceeding five minutes.

Be sure you will obtain not the slightest result from the treatment unless you slap your neck hard enough to bring tears to the eyes.

Don't fear, if you follow my directions, that the back of your neck will be covered with black and blue spots, as the flesh can stand a great deal of punishment without becoming discolored.

When you have slapped and pounded your neck until you are weary, you should bandage it snugly in thin rubber, and donning a high necked blouse, go merrily about your day's work or play. At the end of two hours, remove the rubber bandage and rub the flesh off with alcohol, else you may take cold.

Do this daily until the back of your neck will rapidly lose its unwanted ounces of fat.

Daily Hints For the Cook

PEANUT FUDGE. Three-quarters cup of milk, 2 cups of sugar, blend it together, stir as little as possible while cooking, boil seven minutes, not over eight, take from stove, add a pinch of salt, a teaspoonful of vanilla, 3 tablespoonfuls of peanut butter and beat.

RICE PUDDING. Wash one small cup rice, pour boiling water over and let stand about 5 minutes. Throw away water, add 1 cup sugar, little nutmeg and 2 quart milk. Bake slowly 2 hours, stirring occasionally until the last half hour.

STEAMED PUDDING. Two and one-half cup flour, 1 cup chopped suet, 1 teaspoon soda, 1/4 teaspoon salt, 1/4 teaspoon cinnamon, 1/4 teaspoon nutmeg, 1 cup cold water, 1 cup molasses. Sift the flour, soda, salt and spices together. Mix in the suet and add the molasses. Mix the milk and molasses and add to dry mixture. Steam 3 hours. Serve with sauce.

SPRING BLOOD IS WATERY BLOOD

How to Get New Health and New Strength at This Season

Spring ailments are not imaginary. Even the most robust find the winter months most trying to their health. Confinement indoors, often in overheated and nearly always badly ventilated rooms—in the home, the office, the shop and the school—lessen the vitality of even the strongest. The blood becomes thin and watery and is clogged with impurities. Some people have headaches and a feeling of languor. Others are lowered and nervous. Still others are troubled with dizziness, pimples and skin eruptions, while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order and that a medicine is needed. Some people take purgative medicines in the belief that this is a serious mistake. You cannot cure yourself with a medicine that gallops through your system and leaves you weaker still. This is all that a purgative does. What you need to give you health and strength in the spring is a tonic medicine that will enrich the blood and soothe the impure nerves. And one medicine is liable to do both these things. It is Dr. Williams' Pink Pills. These Pills not only banish spring weakness but guard you against the more serious ailments that follow, such as anemia, nervous debility, indigestion, rheumatism and neuritis, due to bad blood. Miss Lillian Howe, Portland, Ore., says: "A little over a year ago I was in a very bad condition, suffering from most of the symptoms of that trouble. Often spent sleepless nights, and felt as though I did not care whether I lived or not. In this condition I began taking Dr. Williams' Pink Pills, and after the use of ten or twelve boxes I was restored to the blessing of perfect health. I feel, therefore, that I cannot say enough in praise of this medicine. If you are ailing this spring you cannot afford, in your own interest, to overlook so valuable a medicine as Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

CHILDREN'S EASTER SONG

(Lily Larcum) Breaks the joyful Easter dawn, Clearer yet and stronger; Winter from the world has gone, Doing shall be no longer. Far away good angels drive: Night and sin and sadness; Earth awakes in smiles, alive With her dear Lord's gladness.

Roused by Him, from dreary hours, Under snowdrifts chilly, In His hands He brings the flowers, Bringing the rose and lily, Every little buried bud Into life He raises; Every flower of the wood Chants the dear Lord's praises.

Open, happy hours of spring, Through the sky glad voices ring. Little children dear, look up, Towards His brightness pressing, Lift up, every heart, a cup For the dear Lord's blessing. —Christian Nation.

All Skin Remedies Fail?

Many different remedies have been tried for Eczema and other skin diseases. But it is now known that the only possible cure is a mild, soothing liquid made up of Oil of Wintergreen, Thymol, Glycerine and other ingredients so carefully compounded that each ingredient has its proper effect.

This compound is now made up in the D.D.D. PRESCRIPTION. Years of success and thousands of cures show the merit of this wonderful compound, but the most convincing proof is a trial of the remedy by any eczema sufferer.

D.D.D. will prove to you that you can be cured. The very first drop will give you instant relief. You don't even have to pay the regular price of \$1.00 a bottle, for we have arranged with the D.D.D. Laboratories of Toronto to offer for a while, a special large 25c. trial bottle. Get the special bottle to-day and see how quickly the itch will vanish. The use of D.D.D. Soap will help. E. GRAY HAIR TURNS ITS NATURAL COLOR AFTER APPLYING SAGE TEA

Mixed With Sulphur It Darkens Beautifully and Takes Off Dandruff.

Almost every one knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also cures dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-made product—called "Weyth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own but it's usually too sticky, so insist upon getting "Weyth's" which can be depended upon to restore natural color and beauty to the hair and is the best remedy for dandruff, dry, feverish, itchy scalp and to stop falling hair.

Folks like "Weyth's Sage and Sulphur" because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly, says a well-known downtown druggist. You choppen a speckle of each brush and draw it through your hair, taking one small strand at a time. This requires but a few moments, by morning the gray hair disappears and silver another application or two is restored to its natural color and looks even more beautiful and glossy than ever.
