

LIVE NEWS OF TODAY IN ST. JOHN

Tag Day, Friday, April 21. 3296-4-21.

A meeting of the members of York L. O. L. No. 2 is called for this evening at 8 o'clock in their rooms.

ST. JOHN CHAPTER. A meeting of St. John County Royal Chapter, will be held in the range hall, Germain street, tomorrow evening.

Donations for the Grenfell Labrador Mission can be left at the residence of Mrs. H. C. Schofield, 183 Canterbury street.

A GLEANER BRAIN and healthy body are essential for success. Business men, teachers, students, housewives, and other workers say that the gleaner gives them appetite, strength, and makes their work seem easy. It overcomes that tired feeling.

A REAL PIANO BARGAIN. Low prices do not always mean bargains, but a real bargain always means a low price for the value received. So, when we offer a new, unused piano, fresh from the factory, at \$125, we are sure that we are offering a real bargain. This is not a made over instrument, but absolutely new in every detail. Can you afford to miss seeing it at the rooms of the St. John Piano Co., Limited, 108 Union street?

IN TWO SECTIONS. The Montreal express arrived in two sections today. The first section carried a very large number of passengers, four sleepers and three day coaches being necessary to accommodate the passengers. The second section carried quite a few passengers for the N. S. Express of Ireland.

C. OF E. INSTITUTE TEA. The ladies of the Anglican churches in the city have made elaborate preparations for their tea and sale this afternoon and evening from 3 to 7 in the school room of Trinity church, and it promises to be very successful. The tea table will be under the supervision of Mrs. W. O. Raymond, Misses Bertie Armstrong, Beatrice Frink, Minnie Raymond, Marjorie Knight, Portia McKinnis, and Miss Armstrong. Mrs. Jas. H. Frink is convener of the reception committee, assisted by Mesdames T. E. G. Armstrong, M. G. Teed, J. M. Shadbol, L. B. Knight, and Miss Kate Dabrowski.

Mrs. S. Shimmer has charge of the fancy table, assisted by Mesdames Andrew Jack and James Jack. Mrs. Rothwell at the candy table will be aided by Miss Frink and Miss McMillan. The proceeds are for the C. of E. Institute.

FOR SKIN DISEASES. A Treatment That Costs Nothing Unless It Provides Satisfactory Relief. I have a grayish-white ointment with a pleasant odor that is clean to use, which I believe is the best known remedy for the relief of skin diseases. It is especially efficacious for overcoming eczema in all its various forms, ring worm, acne, pimples, blotches, insect bites, tetter, certain forms of ulcers, sores and wounds. It is strong, antiseptic, cleansing, soothing and healing. It stops all itching and burning caused by skin eruptions.

I am so positive this ointment is unequalled that I offer it with the distinct understanding that if it does not give you a reasonable trial, you may only get to tell me and I will refund your money every cent paid for it. I act on promise or obligation when I offer this ointment. The first application gives a refreshing sense of relief, and because of this, the patient is induced to use it. It eradicates the germ or parasite which causes eczema and many other eruptions. It quickly allays the inflammation, gives protection to the inflamed surface and helps restore healthy tissue. It is particularly active in relieving skin ailments peculiar to children. You certainly cannot lose anything by trying it. I am positive Rexall Eczema Ointment will satisfactorily benefit you. Two sizes, 50c. and \$1.00. Write for it. Dr. Hoff was born in Manchester, N. H., while Dr. Draper was born in Hopkinton, Mass.

Ex-Mayor Hoff of Marlboro and Oscar Draper of the same city, happened to meet on the street Wednesday, stopped for a short chat. In the course of their conversation Dr. Hoff mentioned the fact that it was his birthday. Mr. Draper said that it was his birthday also. The two compared notes and discovered that they were born at the same hour o'clock in the afternoon, April 20, 1852. Dr. Hoff was born in Manchester, N. H., while Dr. Draper was born in Hopkinton, Mass.

PROMOTION OF REV. DR. BORDEN WILL BE WELL RECEIVED

Rev. Byron C. Borden, M.A., D.D., who was yesterday chosen by the board of regents of Mount Allison University, to succeed Dr. Allison, entered upon the ministry of the Methodist church in Nova Scotia, in 1872. He served some of the influential congregations in the sister province, notably the old and historic Brunswick street church, of Halifax, and when in the pastorate of this church, was called in 1885 to the position of principal of the Ladies' College, one of the associate schools at Mount Allison.

Dr. Borden was well endowed by nature with executive ability, and was most successful in his ministry in the church, being a clear and effective preacher. These qualifications with the good preparation he received in college and post graduate work, eminently fit him for his twenty-six years experience as head of the ladies' college, to take up the duties now devolving upon him.

His appointment will be very popular with the large body of students, who have come under his care in more than a quarter of a century of work, as well as in the homes from which the young people came. The board of regents had a difficult task to find a successor to the venerable and well-loved and learned Dr. Allison, but those who have been associated with the college as well as the general public will not doubt, agree that they have made an admirable selection in calling Dr. Borden to this responsible position.

BARONET CAVE-BROWNE-CAVE GIVES UP ALL TO JOIN SALVATION ARMY. New York, April 20—(Canadian Press)—From British baronet to expert rough rider with a will west show, and then to janitor of a Salvation Army hall in Brooklyn has been the experience of Sir Grenville Cave-Browne-Cave who today announced his resignation as vice president of the British Boy Scouts organization to apply for admission to the Salvation Army.
