ELABORATE PLANT TO BE ERECTED FOR NEXT OLYMPIC GAMES

DUTCH GOING AHEAD WITH PLANS FOR 1928

All Sports Will Be Practically Under One Roof—Huge Stadium

NEW YORK, Aug. 13—Amsterdam is planning to erect the most ornate plant that ever has been built for the comfort and convenience of Olympic athletes and spectators.

The United Press has been favored with a drawing of the stadium through the courtesy of G. van Rossem, general secretary of the Nederlandsch Olympisch Comite, which is to act as the host of the world's greatest athletes who will compete in the 1928 games.

Although the program and the dates have not been decided upon by the International Olympic Committee, the Holland officials have gone ahead with their financial arrangements and have funds sufficient to erect a plant they feel will be the best looking and the most comfortable that ever has been used for the Olympic games.

The drawing shows a most extensive and expansive layout and architectural style equalled only by the tiny stadium at Antwerp, which may have had some shortcomings but certainly lacked nothing in beauty.

Plans have been drawn for a huge stadium for the track and field games, a big pool for aquatic events, a field for polo and the equestrian games, a large field for cricket and football, a track for the cycling races, a large tennis plant and a village for the athletes. Near the plant is also a course for rowing and yachting.

In Paris the games were spread all over and all around the city but Amsterdam has decided upon having the entire program conducted practically under one roof, a great convenience alike to trainers, athletes and spectators.

The tennis plant is to be made very complete, with a centre court surrounded by stands and including three courts and ten courts outside.

The completeness of the plant and the thoroughness of the plans probably will come as a surprise to some members of the international committee who wanted Holland to produce some cash in sight to guarantee that the games could be sponsored properly.

"You don't know those Dutch people," a prominent member of the committee said. "They don't make much noise when they're doing things but they do them and do them right."

As far as advance arrangements are concerned, the Dutch surely plan to do it right and no doubt will do it.

VISITORS DEFEAT SAINT PETERS, 7-1

Salem Team Puts up Good Brand of Ball—Local Team Weakened

Before a crowd of 1,500 fans the Boston Braves All-Stars won over the St. Peter's, local independents, last night at St. Peter's park by a score of 7 to 1. Moore, locals' star right fielder, MacGowan and Burgess, Saints' twirlers, were absent from the game, owing to lack of notification of the teams meeting. It was decided at the last minute to play last night.

The visitors shape up well. They fielded nicely and did good work with the stick. Phelan, Boston first baseman, cleaned up with three hits out of three trips to the plate. He was also responsible for two runs. Johnston hurled for the Saints and was touched up for 11 hits. Smith, visitors' twirler, confined the locals to six safeties.

These teams are scheduled to clash tonight and in a double-header tomorrow. With the Saints' full lineup present, three stellar exhibitions are expected.

N. B. Tennis Body Decide on Men's Play in Future—Officers Elected

FREDERICTON, Aug. 12—A decision to play the best three out of five sets in the semi-final rounds of the men's singles and doubles in future tournaments, instead of following the present plan of the best two out of three sets, was reached at a meeting of the N. B. Tennis Association held here tonight. H. G. Chestnut, of Fredericton, was chairman in the absence of C. F. Inches, of Saint John, president. Practically all the clubs affiliated with the association had representatives at the meeting.

The annual reports of the association were tabled and show the association to be in a fairly flourishing condition financially. The matter of making the annual provincial tournament an open one was diseussed at some length. This matter was left in abeyance. It was decided, in future meets, to stage a "veterans'" event, as is included in Canadian championship tennis play. Players over 45 years of age are eligible.

The election of officers for the ensuing year was held and resulted as follows: President, W. A. Jessiman, of Moncton; vice-president, C. F. Inches, of Saint John, and secretary-treasurer, J. H. Drummie, of Saint John.

ALL SET FOR TITLE FIGHT AT SYDNEY

Canadian Welter Crown at Stake When Fifield and McKenna Meet

SYDNEY, Aug. 12—George Fifield, Toronto, Canadian welterweight champion, with his title at stake tomorrow night when he goes up against Jack McKenna, Maritime champion, tonight appeared in the best of condition and was confident of successfully defending his title.

Both boxers have posted $50 guarantees that they will weigh in at 2 o'clock tomorrow under the welter limit. McKenna declared tonight that he would tip the scales tomorrow afternoon at not more than 145 pounds.

An injury to Fifield's hand, which he incurred while training, yesterday made the staging of the bout doubtful, but an Xray taken today showed no serious effects.

Preparations are being made to accommodate the largest number of fans in Sydney's boxing history. The local Arena Rink, which is being converted to stage the title bout, will seat upwards of 4,000.

Tunney Denies He Will Fight Jimmy Delaney

SPECULATOR, N. Y., Aug. 12—Gene Tunney, challenger of Jack Dempsey for the world's heavyweight championship today, denied a report that he had signed to box Jimmy Delaney, St. Paul heavyweight, in an exhibition contest in Buffalo, Aug. 23. Tunney is in training here.

Jack Delaney, light heavyweight champion, and Jimmy Delaney will join the challenger's camp as sparring partners for Tunney, who is working hard to perfect a defence against Dempsey's famous infighting tactics, and against his short steam hammer blows.

Tunney said he is also endeavoring to develop a powerful knockout blow, a punch that would be better than that with which Firpo sent the champion sprawling.

RACE IN SOUTH END LEAGUE TIGHTENS

Martellos Defeated by Nationals—Need One More Win to Take Pennant

The Nationals triumphed over the Martellos, leaders in the South End League, by a 13-5 reading in their league game played on the South End diamond last night. Dugay and Watters, Martellos' hurlers, were hicked for 12 hits. Leary, Nationals' moundman, confined the losers to five bingles.

If the Martellos win one more game they will snag the pennant. A three-cornered tie for second place honors is possible between the Baptists, Royals and Nationals.

Diamond Disputes Decided

By BILLY EVANS

Why is it necesary to make an appeal to the umpire when a player bats out of order?

Batting out of order plays are mistakes made by the team at bat.

Such a mistake can be penalized if the team in the field is wide awake.

All that is necessary is for the team in the field to be aware of the fact that the improper batsman has hit and to make an appeal to the umpire. He does the rest by calling out the proper batsman.

Putting the enforcement of the decision entirely up to the umpire would make him more or less an active player rather than a judge of play.

Incidentally, it would offer no premium to the wide-awake team.

MANY ENTRIES FOR SENIOR TOURNEY

HALIFAX, Aug. 12—Contestants in the Maritime senior golf tournament, which opens at the Brightwood Club course, Dartmouth, on Tuesday next, are already arriving in the city and are trying out the links.

Entries from local golfers continue to pour in and the success of the meet is already assured. The entry list does not close until Tuesday morning at 9 o'clock and as each event provided a prize for both the gross and net scores in each event there is equal opportunity for the expert golfers and the less expert.

The aim of the meet is to provide a good time and it is expected that nearly all the local golfers of 50 years of age and upward will be present, a few as spectators but nearly all as contestants.

MANY ENTRIES IN FOR BORDER MEET

ST. STEPHEN, Aug. 12—The entries for the races to be held here in connection with the St. Stephen Exhibition close on Saturday, Aug. 14. Already, a number of entries are in and Secretary Littlefield states that, besides a lot of the horses that have campaigned through the Maine and New Brunswick circuit this season, there are several new entries and it is expected that several new stables will come here for the exhibition races.

That the prehistoric dinosaurus was a great fighter is indicated by the broken horns and fractured and healed jaws often found among the skulls of these animals.

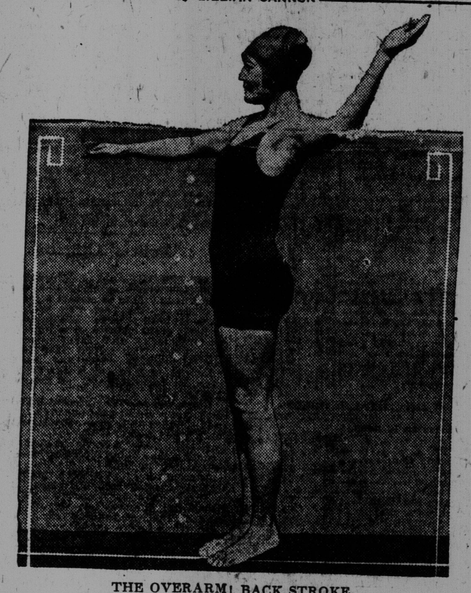
Fair Vale Defeated By Rothesay Team, 5 to 1

In a well played game at Fair Vale last evening the Rothesay team defeated Fair Vail by a score of 5 to 1. Murray Stirling started pitching for Fair Vale but was taken out in the first inning after two were out and five runs had been scored, being replaced by Lloyd Stirling. Three hits were made off M. Stirling and one off L. Stirling. M. Stirling had two strikeouts, and L. Stirling, 7. Kirkpatrick hurled a good game for Rothesay and struck out 5. A feature of the game was the catching of Young Fortune, who replaced McManus for Fair Vale in the second inning. King at second also played a nice game, getting a two base hit and scoring the only run for the losers. The Rothesay team had 4 errors and Fair Vale 3, while behind the bat and W. Henderson on bases.

There were 500 fans present and a big crowd is expected to attend when these teams meet next Thursday evening at Rothesay. Rothesay has now won 3 games and Fair Vale 1.

How To Swim

By LILLIAN CANNON



THE OVERARM BACK STROKE

WHEN trying for speed in back stroke swimming it is best to use the overarm stroke.

This is accomplished by movements just the reverse of the crawl stroke when swimming face forward.

The arms are brought upward from the side as far forward as possible and the stroke is made down the side and as deeply as is natural.

At first the arms will reach out almost at right angle with the body, but with practice more power can be developed by striking them deeper into the water.

The body is given a slight roll toward each stroke, but the face is out of the water at all times, and the breathing is the same as for all strokes.

SEVERAL MAKE GOOD AFTER BEING LET OUT

Castoffs Often Stage Comeback Against Former Team-mates

NEW YORK, Aug. 13—Many a baseball manager's heart is aching in this tempestuous season. The reason is the successes scored by players they have allowed to go to other clubs.

There is Hack Wilson, of Chicago, and Billy Southworth of St. Louis, who would be desirable in the New York Giants' outfield. There is Bill Jacobson, sent to the Boston Red Sox by the Browns, and Howard Ehmke, who escaped from the Red Sox and allied himself with the Athletics. Miller Huggins, of the Yanks, now leading the American League, undoubtedly would appreciate the services of Carl Mays, who is pitching splendid ball in Cincinnati's bid for the National League pennant.

There are many other cases, but the transfer who looms today is the youthful George Murray, obtained by Washington from the Yanks. Yesterday the league leaders fell before the Senators for the third time in two days, 5 to 2, and Murray was the man on the Washington mound. He granted the sluggers only three hits, none of them by Babe Ruth, in fact, the Babe struck out once.

Philadelphia presented Ehmke against his former team mates in the first contest of a double header, and the veteran scored tremendously with a 5 to 1 decision.

ROMMEL WINS AGAIN

Then in the second game Eddie Rommel was his old powerful self and gave the opposition the same number of safe blows for a 5 to 0 decision.

Cleveland gained ground on the Yanks by shutting out Chicago 5 to 0, with Miller keeping nine hits well scattered. Manager Tris Speaker, of the Indians, issued three doubles, while Jamieson and Summa added triples to the attack.

St. Louis bunched hits in three innings to down Detroit, 7 to 2.

Cincinnati and Philadelphia played the only game in the National League and honors went to the Reds, 9 to 2.

The Baltimore Orioles were defeated in the only International League game by Buffalo, 8 to 4, thus narrowing the slight margin between the Orioles and Newark, in second place. Buffalo crept up on Toronto in the third place by their victory. Only .028 percentage separates the first and fourth teams.

Mary K. Brown And William Tilden Win

RYE, N. Y., Aug. 12—William T. Tilden and Miss Mary K. Browne gained final brackets in the men's and women's New York State championships at the West Chester Biltmore Country Club today.

Rain prevented semi-finalists in the other half of each draw from finishing their matches.

Tilden met B. I. C. Norton today and easily vanquished him, 6—1; 6—3.

Miss Browne's trip into the finals was gained at the expense of Mrs. Helen G. Lockhorn, of Connecticut, state champion, 6—1; 6—1.

OUTFIELDER SOLD

READING, Pa., Aug. 13—Hobart "Rabbit" Whitman, star outfielder of the Reading Keystones, has been sold to Buffalo International League, for the reported price of $4,250. Whitman's sale leaves the Reading club with only one outfielder. Only 14 men are on the club roster.
