

LeBARON WILSON GRAND MASTER OF N. B. MASONS

The Masonic Grand Lodge of New Brunswick met in the Masonic Temple in Gormain street last night. The meeting began yesterday afternoon and continued through the evening. The visitors were guests of the local members at supper. At the evening session the officers for the coming year were elected and an illustrated address was presented to J. Twining Hart, of this city, in recognition of the fact that he had held the office of grand secretary for twenty-five years. The presentation was made by James MacMurray, worshipful master of Albion lodge.

Being taken completely by surprise, the grand secretary was greatly moved, and in his reply expressed his gratitude to the members of grand lodge for their kindness to him in recognition of his service of twenty-five years in the office. The local jurisdiction is fifty-five years old and Mr. Hart is the first man in this jurisdiction who has held an office for twenty-five years.

P. D. B. McKenzie, of Chatham, the retiring most worshipful grand master, has the distinction of having officially visited all of the sixteen lodges of the jurisdiction in the sixteen months he has held office.

Following is the result of the election of officers—Most worshipful grand master, LeBaron Wilson, St. John; deputy grand master, S. L. Morrison, Fredericton; senior grand warden, R. A. Snowball, Chatham; junior grand warden, S. P. McCavour, St. John; grand chaplain, Rev. Hugh Miller, M.A., B.D., Campbellton; grand treasurer, George D. Ellis, St. John; grand tyler, Robert Clarke, St. John.

The annual convention of the Grand Council of the Order of High Priesthood was held in the Masonic Temple, St. John, yesterday, with Dr. P. S. Sawaya presiding. The degree of the order was conferred on a number of applicants.

The officers for the ensuing year are: P. S. Sawaya, M. E. president; S. J. Parkhill, M. E. senior vice-president; A. E. Pearson, M. E. junior vice-president; Peter Campbell, M. E. treasurer; W. B. Wallace, M. E. recorder; John C. Earle, M. E. master of ceremonies; William R. Bennett, conductor; C. G. F. Newman, warden; S. C. Lingerick, Woodstock, steward; George E. Fairweather, Sussex, chaplain; Robert Clarke, tyler.

The report of the grand secretary showed total receipts from the lodges of \$7,628.50. The membership report showed that there were 640 new members and that 177 had left or died, making an increase of 463. The total membership was now 5,974.

The grand treasurer's report showed receipts of \$21,389.26 and a balance on hand of \$7,298.90. The benevolence fund receipts were \$3,082.50 and there was a balance of \$1,108.22 on hand after several investments had been made.

RECTOR'S DAUGHTER WINS SCHOLARSHIP

(Montreal Gazette)

Miss Ruth, Marlon Shatford, B.A., daughter of the Rev. Canon A. P. Shatford, rector of the Church of St. James the Apostle, has been awarded the French government scholarship for study of the French language in France, according to a statement issued at McGill University yesterday. This scholarship, of the value of six thousand francs, with traveling allowances, was offered to McGill University by the government of France, through Paul Emile Naggian, consultant, in recognition of the university's efforts to advance the study of the French tongue in Canada. Miss Shatford was recommended for the scholarship by the principal, and yesterday the appointment was confirmed by the consultant.

Miss Shatford graduated from McGill University last June with first-class honors in English and French. During her university career she was deeply interested in the study of French, taking part in all student activities in that direction, notably the French plays staged at Royal Victoria College last spring. Miss Shatford intends to take up instructional work in French on her return from France.

W. Harding Dunham is confined to his home as the result of injuries received Wednesday when an express wagon he was driving was struck by a street car on Main street. Medical aid was summoned and it was found that he had sustained fractures of eight ribs.

The East End and Centennial playgrounds have closed for the season. Instead of a formal programme of closing, a field day of sports was held yesterday at the city as well as near the exhibition grounds for exhibition week. The teachers, the Misses Mooney, MacDonald, Davis and Simonds, had charge of the sports. The grounds have been open for eight weeks and the attendance was large. A large number of visitors were present at the sports.

A meeting of the board of trade council was held yesterday with W. P. Burdett, the president, in the chair. Invitations have been extended to the maritime province members of the federal parliament asking them to attend the board meeting and also to participate in the programme.

Mrs. A. H. Clark, of Manawagonish road, has received word from Marlboro (Mass.) informing her of an automobile accident in which her brother, George G. Schofield, formerly of Fairville, was severely injured when his car skidded, striking a telegraph pole. Mr. Schofield was thrown out, receiving a bad head wound, broken collar bone and an injured spine. He was rushed to St. Elizabeth Hospital at Brighton, Boston, and is now doing as well as can be expected.

A petition is to be presented to the common council asking to have the proposed route of the "white way" changed so as to pass by the premises of about twenty-eight merchants in the south end. The original plan was to have the route cross Queen Square but vehicular traffic could not follow this and furthermore the path across the square ends in steep stairs. If the petition be granted the path will lie along Charlotte to Brittain and then to Sydney.

CHINESE DEAD IN LAUNDRY FIRE

Returned to Building to Get Something and Was Lost.

Englehart, Ont., Aug. 25.—Geo. Tame, a Chinese, is dead, and a loss running into five figures was sustained here yesterday, when a fire of unknown origin wiped out four buildings. Tame escaped from his burning laundry, but rushed back to get something and was caught by the flames.

SARDINE HERRING NOW PLENTIFUL

(St. Croix Courier.)

Herring have been so plentiful for a week that several Eastport factories have been running evenings to take care of the perishable fish. The average sardine worker does not object to this extra night work so it will bring in a larger weekly pay envelope after many weeks of short time and limited factory work while fish were scarce in all parts of Passamaquoddy Bay. The sardine factories are now having their busy canning season. Signs are promising for the fall catches and there are indications of steady employment in the canneries. Lubec and other sardine centres also report fish plentiful and the factories busy.

LEGAL TARIFFS TOO HIGH

Cases Falling Off, So Charges May Be Changed.

Quebec, Aug. 25.—Tariffs of attorneys and barristers in this province which were set by an order-in-council passed in 1920, are soon to see radical changes. It is stated that the tariff is too high and, instead of bringing benefit to barristers, it has resulted in a decrease in the business for many of them. The new tariff will affect appeals especially, and are said to be in many cases practically impossible, due to the heavy cost allowed. The protests have largely come from the rural districts, where in many cases, though the amount involved may not be very high, the contestations include important points of law.

WAGGING TONGUES.

Action Free Press—Gossip, as well as every kind of evil speaking, lives on encouragement. If you don't love hearing about your neighbor's faults, scandal mongers will learn to avoid your presence.

"The north wind driveth away rain, so doth an angry countenance, a backbiting tongue." Next to the whisperer, the man or woman who listens to idle gossip is a menace to society. The man who talks to you about his neighbor will have as much to say about you when your back is turned. When you find yourself enjoying the wag of a vicious tongue, it is time to look inside and ask yourself what manner of man you are.
