THE DOCTOR'S QUESTION

MUCH SICKNESS DUE TO BOWEL DISORDERS.

A doctor's first question when consulted by a patient is, "are your bowels regular?" He knows that ninety-eight per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case where they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. Sold only at our store.—The Rexall Store. J. E. Gayfer.

Appointment When House Meets.

Ottawa, July 29.—It had been expected, after the appointment of G. H. Perley, M.P., as chief Conservative whip, that the other new whips would be appointed during the Parliamentary recess. However, the information is now given that no other appointments will be made until Parliament meets.

Appointed Wreck Commissioner.

Ottawa, July 29.—Capt. Demers, who since the resignation of Commander Spain, has been acting wreck commissioner, has been confirmed in that position. He is succeeded as examiner of masters and mates by Captain H. St. G. Lindsay of Montreal.

Acquitted on Both Charges.

Belleville, July 29.—Ernest Little, who was charged with marrying Ethel Povey, a girl of 16, without the consent of her parents, and of obtaining a marriage license by perjury, was yesterday acquitted on both charges by Magistrate Masson.

BRIEFS FROM THE WIRES

Germany has decline to interfere between the United States and Nicaragua.

The Duke of Norfolk, it is said, will come to Quebec for the Knights of Columbus celebration next week.

Over sixteen thousand deaths have been caused by cholera in Russia since the beginning of the present outbreak in May last.

Forest fires have broken out again, and two or three cottages at Keewatin Beach have been burned, while the rest of the camp is threatened.

A severe storm did great damage in Huron County, the hail beating the crops into the earth and breaking windows. The hail was also destructive about Woodbridge.

The United States will not permit the importation of cattle from England until the extent of the foot and mouth disease, which has appeared in Yorkshire, can be made clear.

Great damage was done by hailstones in many parts of Ontario Wednesday night, including Kent, Frontenac, Huron, York and Parry Sound Counties. Stock was killed and buildings struck by lightning. A domestic at Minnicoganashene had her clothes burned and was temporarily paralyzed.

College for Northern Ontario.

Montreal, July 29.—Rev. Father Paradis, whose name was on everyone's lips at the time of the Mercier regime in this province, in connection with the colonization movement, but who has transferred his field of labor to Northern Ontario, was here yesterday and told of a project to give the boys of that district a great college, where 500 will get a strong, scientific education.

Father Paradis brought one thousand families from the New England manufacturing centres.

The reverend gentleman says he has other fish to fry than to waste time to think of whether Canadians are to be English or French, so is going to get half a million out of the Porcupine mining district to build the college in question.

Blames Authorities.

St. Thomas, July 29.—The local Board of Health at its monthly session decided that serious neglect on the part of the authorities of the Belleville Institute for the Deaf and Dumb was responsible for the death of the child of one St. Thomas citizen. The child contracted scarlet fever from a sister who had been sent home from the institute and was allowed to bring home dolls, books, etc., that had not been disinfected after an outbreak of the fever in the institute.

Frightened by Burglars.

Ashbury Park, N.J., July 29.—As the result of a visit of negro burglars who operated in this vicinity Wednesday night and secured considerable plunder, Mrs. M. E. Allendorf, 83 years old, is dying at her cottage in Ocean Grove. One of the burglars thrust a dark lantern in her face as she was lying in bed and so shocked the aged woman that she was seized with a nasal hemorrhage her physicians have been unable to check.

Body of Missing Lad Found.

Elkhorn, Man., July 29.—The climax of the sensation surrounding the disappearance of Norman, the two-year-old son of Thomas France, occurred Wednesday, when the little corpse was discovered by Herb Larmer in a slough two and a half miles from the child's home and two miles from where he was last seen alive in May. The body was in a badly decomposed condition.

Mrs. Patterson Dead.

Ottawa, July 29.—The death of a prominent lady occurred Wednesday night, when Katharine Dorothea Elliott, wife of Hon. J. C. Patterson, ex-Lieutenant-Governor of Manitoba, succumbed to a lengthy illness. She had been a sufferer since last Christmas from heart trouble.

Hon. Mr. Patterson has gone north in the Arctic with Capt. Bernier.

Union Station for Calgary.

Calgary, July 29.—M. H. MacLeod, manager of the Canadian Northern Railway, says that the Grand Trunk Pacific will probably enter Calgary along the right of way of the C.N.R. There will be a big joint station. Mr. MacLeod says his company is prepared to spend about $1,500,000 on the station, right of way and construction in Calgary.

CATTLE MARKETS.

Little Trading Done at American Markets—Hogs Steady.

Toronto Live Stock.

TORONTO, July 28.—The total receipts of live stock for Wednesday and Thursday at the City Market, as reported by the railways, were 125 carloads, comprising 1809 cattle 2348 hogs, 2112 sheep, 397 calves and one horse.

Fat Cattle Prices.

George Rowntree, who bought 780 cattle during the week for the Harris Abattoir Co., quoted prices as follows: Best butchers' steers and heifers, $5 to $5.90; cows, $2.90 to $5.75; bulls, $3 to $5 per cwt.

Stockers and Feeders.

Farmers being busy harvesting hindered many who need feeders from being on the market, which caused a poor demand for stockers and feeders, was the statement of Harry Murby. Mr. Murby bought 150 cattle, butchers' and feeders. Steers, 900 to 1000 lbs. each, are worth $5 to $5.50; steers, 800 lbs., $4.90 to $5; light stockers, $3.75 to $4.25.

Milkers and Springers.

There was a fair supply of milkers and springers, which met a good market all week. Prices ranged from $35 to $70 each, but there were few sold at either price, one being reported at $35 and four at $70. The bulk of the cows sold from $45 to $55 each.

Veal Calves.

The market for veal calves was steady to strong at $3 to $7.50 per cwt.

Sheep and Lambs.

Over 2000 sheep and lambs were too many in two days for prices to keep at the high levels being paid all season up to the present. Lambs have taken a slump of fully $1 per cwt in less than a week's time, and are about that much still too high, in comparison with American markets. Prices for lambs are due to go still lower, at least all signs point that way. Sheep, ewes, sold at $4 to $4.25; rams, $3 to $3.25; lambs, sold at $6 to $7.25 per cwt.

Hogs.

Mr. Harris quoted prices unchanged for hogs, at $9.75 for selects, fed and watered, and $9.40 to drovers, for hogs, f.o.b., cars, at country points. Dealers are expecting a drop of at least 40c per cwt. for hogs, especially if the strike ceases on the Grand Trunk Railway.
