a piece of good butter the size of walnut has been melted, wash very carefully, the bottom must be lifted up; incessantly with a clean knife so that the softer parts will be in this way it will be cooked through without burning it over. It should be cooked only about three or four minutes. Three eggs are enough for an omelette for a small family.

Some Items.

"All your own fault. If you remain sick when you can get hop bitters that never fail. The weakest woman, smallest child and sickest invalid can use hop bitters with safety and great good."

"Old men tottering around from Rheumatism, kidney trouble or any weakness will have every neighborhood as soon as hop bitters are used by hop bitters."

"My wife and daughter were made healthy by the use of hop bitters and I recommend them to my people—Methodist Clergymen."

"Ask any good doctor if hop bitters are not the best family medicine on earth."

"Material fever, Ague and Biliousness, will have every neighborhood as soon as hop bitters are used by hop bitters."

"My mother drove the paralysis and neuritis all out of her system with hop bitters."

"Keep the kidneys healthy with hop bitters and you need not fear rheumatism."

"Is water rendered harmless and more refreshing with hop bitters in each glass?"

"The vigor of youth for the aged and health for the infirm."

"Lamp chimneys will last a great deal longer, if, when new, they are put in a kettle of cold water with a handful of salt, boil a couple hours, then take off and the chimney stand in it until cold. This process, I can say from experience, lengthens them very much."

A Cure for Hens Thrush.

Mrs. Wm. Allen, of Acton, speaks highly of Hays's Yellow Oil as a household remedy for colds, sore throats, stiff neck, croup, etc., as well as for burns, scalds, and other injuries of common occurrence in every family.

The deposits of fine silver found on the ledges of the kitchen range or stove, surgeons pointing powder and funds for cleaning nickel plated crockery on stoves, etc., will be removed by the use of Hays's Yellow Oil.

The Bad and Worthless.

are never instated or considered. This is especially true of a family medicine, and it is a positive proof that the remedy is of the highest value. As soon as it has been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprang up and began to steal the notice in which the press and the people of the country had expressed their admiration, and in every way trying to induce inferior imitations to take the place of the original, and to make money on the credit and good name of H. B. Many other standard remedies put in similar style to H. B., with variously derived names in which the word "Hop" or "Bitters" were used in a way to induce people to believe that they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name, and especially those with the word "Hop" or "Bitters" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. The only thing that genuine Hop Bitters, with a bunch of clusters of green Hops on the white label, is a way to induce people to believe that they are warranted against dealing in imitations or counterfeits.

On Thursday morning of last week as I was going through a Montreal street, a ball, driven by a butcher ran at him, struck him in the pit of the stomach, lodged him on his horse, and threw him over a retaining wall. The old man went fifty feet through the air, struck the ground with a heavy thud and was picked up dead.

A Good Reform.

Children are not often treated now-a-days with bitter Aloes, Brimstone, Treacle, and the many nauseous remedies of the olden times. Froese's Worm Powders are pleasant to taste, contain their own purgative, and safely and effectually remove all ordinary species of worms afflicting children or adults.

The Canadian Pacific Railway Company has announced a reduction in wages, against which there is much murmuring and some talk of a general strike. The strikers are reduced forty cents per day, laborers, twenty cents; carpenters, thirty-five; boiler-makers fifty-five; engineers and firemen, twenty-five cents per month. In the store department laborers are reduced to \$1.00 per day. Office hands heretofore getting \$35 per month are reduced to \$30. In the running shops a reduction of five per cent is made.

A few nights ago the office of the *Island News* at North Head, Grand Manan, was broken into and cases of type carried off and strewn along the ground. The press was tampered with and partially taken apart, and pieces of it carried off and thrown into the ditch along the road. The proprietor of the *Island News* has offered a reward of \$50 for the discovery of the guilty party or parties. St. Andrews Pilot.

Every Nightingale.

HOW AN APPRENTICE ANIMAL WRITER WAS DIVERGED FROM A WEARY WORKER.

Plain and simple mechanics are not liable to get out of order. Complicated watches, intended not only to keep the time of day, but to mark the movements of the moon and stars, are certain to need frequent repairs. Households and fathers often fail to see that their wives and daughters are more delicately organized than themselves, requiring corresponding care when they are well and contented when they are ill. Yet much better for woman's fine system is a trustworthy medicine, ready at all times for use, than a dash of tinkering by semi-educated local practitioners of the trade.

"Every nightingale," said the wife a well known employee of the Grand Trunk Railway, Montreal, "I have been for some years past troubled with nervous debility and weakness. It was the burden which so many women are called upon to bear, although none the lighter for that."

"Advice and doing, to be sure, I had in plenty; still, on each returning spring my sickness came as regularly as the birds and blossoms."

"Oh yes! I could myself almost or quite well, and it came about in January. I had been in St. Catharines, Ontario, city, commended to my attention *Dr. J. S. Benson's* and *From Bitters*, it gave me strength and life. My sickness, lying in Brookville, whose disease was really the same thing, was equally benefited by the same thing."

Sulphur and Iron Bitters, prepared by the Chatham Chemical Co., Montreal, is for sale by all druggists. Price, 50 cents.
