An investigation will take place to discover who the boys were and bring them to punishment. <u>MONCTON NEWS.</u> <u>MONCTON NEWS.</u> <u>MONCTON, Nov. 2.—The eleventh</u> antiversary of the opening of Wesley Memorial church was observed in a fitting manner today. Rev. William Brown of Springhill preached eloquent and forceful sermons both morning and evening. Pastor William Penna and Rev. S. T. Teed also taking part in the services. P. S. Archibald, C. E., who won golden opinions in his capacity as chairman of the board of arbitration between the Newfoundiand govern-ment and Contractor Reid, has been summoned to Sault Ste Marie as an ex-pert in matters in dispute between the Clergue syndicate and the contractors for the erection of the works. A large he left the spot after the murder. The autopsy on the body of Miss Morton showed that the fractures of the skull, one on the left side of the head, near the top, and back of the crown, and one lower down on the back of the head, near the base of the ir ain. There was also a badly bruise? even as if the man had struck her w!.n his for the erection of the works. A large sum is understood to be involved, and Mr. Archibald, who left Saturday night [For account of crime see page 7.] for the Soo, expects to be gone ten days or more.

THE SHOE COMBINE.

It is Not Approved of by the Montrea. Manufacturers.

The proposition to combine the sho nanufacturing interests of Canada, which has been started in Toronto does not appear to find favor with the big Montreal firms in the business. Several of them have expressed them-selves as decidedly opposed to any such combination. For example, James Redmond, vice president and general has returned home. manager of the Ames, Holden Co., of Montreal, Ltd., says in an interview :

ien in the woods cutting pulp wood for the Mispec mill. A splendid bull moose invaded the fields of Charles Whiston last Sunday. "Mr. Johnson, promoter of the pro-rosed shoe, amalgamation, has called upon us several times to obtain our ws on such an arrangement, in fact, he has had several meetings of She was a sweet young thing, and as the manufacturers of Montreal in Montreal, but up to the present, as far as we know, nothing definite has been

he walked along by her side he sud-denly remembered that she had been vaccinated and hastened to make inquiries. "You have been vaccinated, haven't you?" he asked. "How is arrived at. "This company has not considered your arm?" She turned to him a face he matter at all seriously, as we held the matter at all seriously, as we held the opinion from the commencement that the scheme was not a practicable one and that so far as our personal interests were concerned, we are, we believe, in a better position to take care of our customers and handle the generous share of the trade of Canada that we now receive then the conclusion that only too plainly showed that she was suffering and replied mournfully, "Oh, it's so sore I can hardly walk on it." And then she wondered why he laughted.-L. F. S., November Lippincott's.

MARINE MATTERS.

The leak in schr. Prudent, before reported at Vineyard Haven, has decreased to 300 at Vineyard Haven, has decreased to 200 strokes per heur. She is waiting for favor-able wind to proceed to destination. Schr. Annie Allen, from Halifax for Bay of Islands, with general cargo, is ashore near Bay St. George. Schr. J. B. Martin, bound to Sydney, put into Louisburg 26th, with loss of sails and foremasthead sprung. Schr. Blomidon, Capt. Chute, from New York for Seven Islands, Quebec, has arrived in the Miramichi for repairs. She lost some eals and had to cut away port bulwarks to free the deck of water in a storm on Tues-day.

Victoria Beach, in the Bap of Fundy fish-eries. Sch. Arthur M. Gibson, Capt. Milberry, ar-rived at Mobile Saturday from Teneriffe. Str. Agnor has been fixed to load deals at Exploits Bay, Nid., for Glasgow at 40s. Sch. Ellen M. Mitchell, Capt. Brigham, from Shulee for New York, which dragged ashore on Grindstone Island, has not report-ed damage to owners. Sch. Fraulein, from St. John, N. B., for Newport, while geffing under way off Cross Rip Saturday night, lost port anchor and part of chain. Procures another. Will, proceed. A correspondent writes under date of Oct. 2: John Johnston has sold his new idence at Loch Lomond to Peter Murray of Grove Hill. William Baxter

has parted with his crack bronco and will go to the Maine lumber woods this on attending her brothers' wedding,

nart of chain. Procures another. Will-proceed. Sch. Rebecca J. Moulton, ice laden, which had been in the stream at Bath for some days awaiting a crew, sailed Saturday for Philadelphia. Was obliged to send to New Bedford for crew. Sch. Emma J. Radicott, Capt: Johnson. from South Amboy for Saco, fouled sch. J. Y. Wellington, lying at anchor at Vineyard Haven Saturday night. The Endicott had rail aft broken and chafed, and spanker torn. The Wellington had head rails start-ed. Both vessels will make temporary re-pairs and proceed. Sch. Metrose, Capt. Kelley, from Cheverie, N. S., for Philadelphia, arrived at Vineyard Haven on the St inst., in tow of tug Storm King, and reports Oct. 30, S. p. m., lying at anchor between Shoveiful and Handkerchiet light, vessel was run into by schr. Calabria. from New York for Windsor. The Melrose-had ilboom and all gear attached, both-chains, figurehead, cashead, part of star-board fore rigging, maintopmast, chain juates carried away: main rail broken and quarterdeck and stem badly damaged. Lost starboard anchor and part of chain; pro-cured another here and lett for New Bed-ford Nov. 1 for repairs. The Calabria lost ibboom, mainboom and vas considerably damaged. The Calabria sailed for destina-tion.
