

Hair Hints

It is much easier to keep the hair when you have it than it is to restore it when it's lost. If your hair is "coming out" it needs instant attention. The use of **AYER'S HAIR VIGOR** will promptly stop the hair from falling, and stimulate it to new growth.

"Some years ago my hair began to fall out and I became quite bald. I was advised to try

Ayer's Hair Vigor

and had used it but a short time when my hair ceased to fall out and a new and vigorous growth made its appearance. My hair is now abundant and glossy.

Analogy...

The man who would not allow a barber to dictate the cut of his beard, should ask himself why he allows a tailor to dictate the cut of his clothes. This he practically does allow when he buys his suit "to order" before it is made.

Who can tell from a piece of cloth and a fashion plate how any such theoretical combination will look when made up? Who can tell, even when it is made up, without trying on, how such a suit will influence its wearer's appearance? One-eighth of an inch difference in the curve of a hat brim makes it becoming or ugly.

Who, then, would buy a hat from a picture, and from the felt alone, when he could (for less price) select from a score of ready-made shapes that which most improved his appearance — trying on the actual hat before purchasing it.

Apply this to "Fit-Reform" and save 50 per cent of your tailor's bills.
