### Acknowledgment.

On the evening of the 22nd of December, 1900, we had a pleasant, though unexpected visit from a number of our friends of Wine Harbor. The object of the visit was a pound party. The pounds were large, cash and other necessities for house-keeping were freely bestowed upon us. The kindness of these dear people is the more appreciated, because on account of ill-health I have not been able to perform regular work. May the Lord be with them.

R. B. KINLEY.

KINGSBORO, P. E. I.—On Christmas Eve the parsonage became the scene of a pleasant and lively gathering arranged as a special welcome to the new pastor. About 100 of the friends and members of the church arrived, bringing well laden baskets and produce from gardens and fields; after thoroughly enjoying themselves in a social manner, at a somewhat late hour they took their departure, but not before the kindly senior deacon, (Bro. Scott) in a congratulatory appreciative speech, (complimenting both Pastor and Mrs. Gardner) presented them on behalf of the friends assembled with the sum of \$23, wishing them every blessing both of a temporal and spiritual nature.

LEBANON, N. Y.—For the first time Christmas found us somewhat outside the Convention limits, but thanks to the MESSENGER AND VISITOR not out of touch with it. While attending the Theological School at Hamilton it is my privilege to minister to a little church near by at Lebanon. Part of my field is visible from the Seminary. Not a month has passed since our coming without our receiving many helpful kindnesses on the part of the little congregation. Their Xmas donation amounted to \$94.85, which has with additional amounts sent us into the new century with over a century of donation dollars. Two "Province" men, Revs. E. C. Jenkins and E. B. McLatchy, preceded me in the pastorate, and evidently knew how to train up the people in the way they should give donations, orthodox in quantity and quality.

SYDNEY, C. B.—On the evening of Dec. 8, we were given a big surprise by the South Bar members of the Sydney Baptist church. Mrs. Vincent was presented with an elegant silk autograph quilt and the writer with \$40. After the presentation refreshments were served and an enjoyable evening was spent by all present. On New Year's night we were again remembered by the Sydney church, who presented the pastor with a purse of \$35. We also received a number of private donations which has swelled the amount to over one hundred dollars in cash, besides many other tokens of their love in presents and toys for the children. For all these expressions of love and good

will we are deeply grateful to our God and take this public way of expressing our thanks to the kind friends who made our Xmas so bright and happy.

A. J. VINCENT.

## RHEUMATISM

No sure cure is yet known for chronic rheumatism. No man living can cure it always. He can try. If he fails he can try another way.

There are many ways. Some harmless; others worse than the rheumatism. Better not take the chance of quack medicines.

Scott's emulsion of cod-liver oil cures rheumatism only by crowding it out by vital force.

If that succeeds, it succeeds; if that fails, it fails. It never does any harm.

We'll send you a little to try if you like. SCOTT & BOWNE, Chemists, Toronto.

## Radway's Ready Relief

For over fifty years this wonderful remedy has proved itself the best, safest and surest antidote for pain in the world.

## The True Relief, Radway's Ready Relief

For Internal and External Use.

In using medicine to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice; it masks the symptoms, shuts up, and instead of removing trouble, breaks down the stomach, liver and bowels, and it continued for any length of time, kills the nerves and produces local or general paralysis. There is no necessity for using these uncertain agents when a positive remedy like RADWAY'S READY RELIEF will stop the most excruciating pain quicker, without entailing the least danger in either infant or adult.

### Will Afford Instant Ease.

For headache (whether sick or nervous), toothache, neuralgia, rheumatism, lumbago, pains and weakness in the back, spine or kidneys, pains around the liver, pleurisy, swelling of the joints and pains of all kinds, the application of Radway's Ready Relief will afford immediate relief, and its continued use for a few days effect a permanent cure. Instantly stops the most excruciating pains, allays inflammation and cures congestion, whether of the Lungs, Stomach, Bowels or other glands or mucous membranes.

**RADWAY'S READY RELIEF CURES AND PREVENTS** Colds, Coughs, Sore Throat, Influenza, Bronchitis, Pneumonia, Rheumatism, Neuralgia, Headache, Toothache, Asthma, Difficulty Breathing.

CURES THE WORST PAINS in from one to twenty minutes. Not one hour after reading this advertisement need any one SUFFER WITH PAIN.

INTERNALLY.—A half to a teaspoonful in half a tumbler of water will in a few minutes cure Croup, Spasms, Sour Stomach, Nausea, Vomiting, Heartburn, Sick Headache, Diarrhea, Colic, Flatulency and all internal pains.

### MALARIA.

CHILLS AND FEVER, FEVER AND AGUE CONQUERED.

## Radway's Ready Relief

Not only cures the patient seized with this terrible foe to settlers in newly-settled districts, where the Malaria or Ague exists, but if people exposed to it will every morning on getting out of bed, take twenty or thirty drops of the Ready Relief in a glass of water, and eat, say, a cracker, they will escape attacks. This must be done before going out. There is not a remedial agent in the world that will cure Fever and Ague and all other Malarious, Bilious and other fevers, aided by Radway's Pills, so quickly as Radway's Ready Relief.

## Business Men's Backs.

Too much rush and bustle, work and worry fall to the lot of the average business man. Kidneys can't stand it; they fail to filter the poisons from the blood properly. Urinary trouble, general languor and pain in the back are the natural results. A man can't attend to business properly if his back aches—no use trying. Only one sure remedy that never fails—

## DOAN'S KIDNEY PILLS.

Take a hint from business men who have used them: "I have taken Doan's Kidney Pills, which I procured at the Medical Hall here, for rheumatism and pains in the small of my back, with which I have been afflicted for the past six years. They did me so much good that I heartily recommend them as an excellent medicine for rheumatic troubles and backache." CHARLES C. PILKEY, dealer in agricultural implements, Orillia, Ont. Doan's Kidney Pills cure backache, lame or weak back, Bright's disease, diabetes, dropsy, gravel, sediment in the urine, too frequent risings at night, rheumatism, and weakness of the kidneys in children and old people.
