EMPIRE CITY HANDICAP TO DALMATIAN

Empire City Race Track, New York, July 23.—Dalmatian, the public choice, before a big crowd easily won the Empire City handicap, 1.1.8 miles, here today, defeating a good field of handicap horses. He was admirably ridden by Archibald, but the horse proved himself to be a grand three year old. He broke fairly well but was knocked about, shut off and dropped back last but the boy Nicolson, rode him along to the turn when he brought him to the outside and coming fast won galloping. Stanley Fay, 20 to 1, was second with Handbridge third, half a length behind.

CLIPPERS SUIT OUT ST. JOHNS

McBrine's Team Have Things Pretty Much Their Own Way in Saturday's Game—One Triple Play.

Clippers 8, St. Johns 0.
Ozey, Ozey, Ozey, come forth all good citizens and harken to this announcement. It was sure sweet revenge for McBrine's athletes and for the faithful band of fans and fans who persisted all through a dark season in slaking their thirst for change on the ability of "Mac's" men to wallop the leaders. This is sure a topsy turrey series. Here we have the leaders and the laggards whacking at each other and the ordinary observers would be certain after Saturday's fray to pick the Clippers as the top pitchers and su a Tilley's men to the discard heap. There was nothing in Saturday's battle—which left all the battling to one side—to show that the St. John crew were the winners. Not much, it was all the other way. The McBrines scored eight runs, while the other fellows failed to shove even a solitary pathman around the shams.

Shutting out the leaders twice in succession is certainly some performance for the McBrines.
By constant application to the process of whaling Mr. Tilley's crew, it looks as though they would grope out the cellar and move into the bright sunlight of a summer position. Harley Howe was moored on the mound for the McBrines Saturday and it sure was the Harley we knew of old who did the flogging. He brought along all his possessions and pegged mystery throws at Mills that quite dismayed and puzzled Tilley's swatters.

Howe Pitching Some.
He was as steady as far famed Gibraltar and was ace high from start to finish. And behind Harley the gates were closed, the grooves matted and the torpedo nets rigged. Infielders and outfielders gave him all the support necessary, the innerworks being particularly effective in the pinch. That left runner Howard was on outpost duty for the Tilleyites, but had nothing particularly new for our edification. He was not bumped particularly hard but the blows come when pathman loitered on the pillow. It was simply a case of too much Clippers. They did smartly and timely and the men were smart on the lines, winning their game handily in all departments.

Triple Play Just Here.
In the play the Saints looked dangerous. With none down and the cushion full to overflowing it looked rocky for Howe, when the demon first rocker Donnelly, assisted by the astute Tom Howe, introduced a whirlwind triple play for the edification of the fans and assassinated the whole bunch.

Cribbs hit a hot one at Donnelly that smacked like two scores. The wizard first sacker was playing well in however, and spearing the Spalding before it touched the ground, made a lightning throw to Howe, who caught Copeland off his feet, tagged Lyons who was sprinting from second. The play was the first of its kind this season and received applause of large dimensions. Dazzling double plays at other stages of the game with St. Johns on the cushions, kept the game in cold storage throughout. The St. John lineup was somewhat shuffled. Johnny Cregan held down cushion No. 2 in place of E. Ramsey, Nesbit took over the centre garden, while Roberts and Riley, Cribbs and Humphrey took care of left and right field by turns.

Exciting Events in Brighton Beach Auto Races Saturday

C. S. Bragg Won Five Mile Race After Making Return Trip Through Broken Fence.

DePalma and Robertson, Old Rivals, Divide Honors by Each Taking One Race.

Brighton Beach, New York, July 23.—C. S. Bragg, the amateur driver who has defeated Barney Oldfield, took by sheer grit, this afternoon, one of the most daring automobile races ever seen at Brighton Beach.
In the sixth event of the programme, a five-mile event, open to amateurs only, Bragg driving his own Fiat, skidded on the turn into the home stretch, slewed broadside into the fence,

GEORGE ROBERTSON

RALPH DE PALMA

crashed through it onto the green, turned on his power when he found himself still on four wheels, broke his way through the fence onto the track again, and then, by furious driving, regained all his lost distance and finished first in the phenomenally quick time of 4 minutes, 46 3/5 seconds. He was cheered to the echo every time he passed the grand stand.

Ralph DePalma and George Robertson, old time rivals, fought it out again the first in a flat, the second in a Simplex. DePalma won the ten mile event handily, allowing Robertson to pass him, and then putting on more power when it was needed. But in the ten-mile match, Robertson took his revenge in straight heats, the first at five miles, the second at two.

Unpromising Weather Kept Some Boats from Starting and Only Twelve Got Away—Windward Off Today.

With the booming of a gun about three o'clock Saturday afternoon, nine trim yachts and three motor boats left their mooring and started on the annual "Happy Days" cruise of the Royal Kennebecasis Yacht Club. TIPPING OF SIGNALS IS NOT ALLOWED

Chicago, Ill., July 23.—Five hundred dollars reward is offered by the American league for evidence tending to show that any player or club in the league is using or countenancing the tipping of signals of an opposing team. Any player involved will be blacklisted from organized baseball for all time to come. This bit of information in addition to the fact that Jack Sheridan may become manager of umpires in the American league or given some other exalted position was handed out by President B. E. Johnson on his return to Chicago from the east yesterday.
"I made a thorough investigation while in the east in regard to the alleged tipping bureau of the New York American club," said President Johnson, "but I could not discover a scientific evidence to support the talk that was started some time ago. Neither could I find out that Pitcher Ed. Walsh of the Chicago American league club had ever said he believed there was such a system of signals employed."
"There is no one more concerned about it than myself, and I will pay \$500 to any man who produces proof that an improper signals were used."
"The way of the matter is that the New York players have been batting just as strongly when away from home as on their own grounds, and this in itself should disprove the charges."

LAFITTE SOLD.

Rochester, N. Y., July 23.—Manager Gannell of the Rochester Eastern League Baseball Club announced this morning that he had sold Pitcher Ed. Lafitte to the New York Americans for cash and other considerations. Lafitte will finish the season with Rochester.
Perverted
"Early to bed and early to rise," quoted the prudent citizen.
"Makes many a man a nuisance with the lawn mower," interrupted Mr. Crosslots.—Washington Star.

WILL NOT CALL ANY GAMES TO CATCH TRAINS

Cincinnati, July 22.—No more national league games will be called a fixed time to enable a team to catch a train, says President Lynch. A time limit may be fixed but if an inning is started it must be completed even if it runs from ten to fifteen minutes beyond the fixed time. Many complaints have been registered by persons who went out to see ball games and found that an agreement had been reached to call the game at a certain time. It generally happened that a club in the lead within a few minutes of the time limit was able to prolong a half inning by jockeying and thus rob an opposing team of a chance to tie or win a game.

ATHLETIC POLICE MUST NOW DO DUTY

New York, July 23.—Martin Sheridan, world's champion all-around athlete, and John Flanagan and Matt McGrath, both champions in hammer, shot and discus throwing, all of whom are police patrolmen assigned to duty in the marshal's office, were transferred today when they were transferred to patrol duty. The three patrolmen, who were members of the famous Olympic team which won the world's championship in London in 1908, will later be assigned to precincts.

M'LOUGHLIN WINS RIGHT TO MEET LARNED

Brookline, Mass., July 23.—Maurice E. McLoughlin of San Francisco, today won the 20th annual Longwood cricket club tournament in tennis singles; one of the blue ribbon events of the country. The Pacific coast player who is but 29 years old, cleared the way to the challenge match on Monday with W. A. Larned, national champion, by eliminating Wallace of the Johnsons of Philadelphia, the intercollegiate champion in straight sets 6-3, 6-2, 6-5.
At the same time Edgar H. Whitton, Boston interscholastic champion, in singles, and Richard Bishop, of the home club, won the eastern doubles championship, defeating in the finals R. A. Holden Jr. and F. M. Watrous, the Yale team, 6-3, 2-6, 7-5.
McLoughlin's tennis, while not of the sensational order, was strong and steady. Johnson's was outclassed and there was little doubt of the final outcome when the pair went the through winning games on their service to the seventh when McLoughlin broke through.
In the doubles Holden played fairly good tennis but Watrous was something of a handicap. Bishop was the mainstay of the Boston team in the deciding set. In the last games of the match Bishop took everything that he could reach and he won the 12th game against the service of Holden.

YOUNG MAN! DON'T HURRY TO REMOVE TO THE WEST

B., July 23.—Walter Darion, who successfully conducted Hart Boot and Shoe Company factory as superintendent, has been re-engaged by the company and arrived here yesterday afternoon from Boston. Today he visited the factory and next week will take charge of the company's shoemaking. John A. Reid will be general manager of the company.
Two more salmon have been caught at Hart's Island pool, at Springhill. Last evening Harry G. Chestnut caught a salmon and this morning R. L. MacCown, who had previously caught four salmon, hooked another. Hart's Island pool is on the St. John River, about five miles above Fredericton.

FREDERICTON GETS IT AGAIN

Thistles Win Out in Poorly Played Game by Score of 7-3—Finnamore Made Double Play Unassisted.

St. Stephen, July 23.—The Fredericton ball tossers played against the Thistles here this afternoon in a half decent game and were defeated by a score of seven to three. The visitors made two runs in the third inning and one in the ninth. The Thistles made four in the first, two in the second and one in the seventh.
The star play of the game was made by Finnamore, a double play unassisted. The bases were full and an advance all around was attempted. Finnamore tagged the home runner half way between bases then reached third in time to put out the man running from second.
Batteries for Fredericton—Boone and Finnamore; for St. Stephen, Gerow and Love.
At the close each team cheered their opponents and the umpire, E. Doyle.

TRAVIS, GOLF CHAMPION, IS DEFEATED

Manchester, Mass., July 23.—Walter J. Travis of Gawwinn City, the former national amateur golf champion, was defeated today in the final round of the Essex county club golf tournament today by P. W. Whitmore, of the Brookline Club, on a par in 18 holes. Travis had worked into the finals by putting out J. B. Hyland, of Lowell, the Vesper county club expert, 2 up 1 in play in the semi-finals played in the morning.

PRES. DREYFUS DEMANDS AN INVESTIGATION

Cincinnati, July 23.—As a result of stories published reflecting on his integrity as president of the Pittsburg Nationals, Barney Dreyfus has demanded an investigation of the matter, chairman Harry Herrmann of the National Commission, granted the request and ordered an investigation.
ONE LAD SAVES ANOTHER'S LIFE
Fredericton, N. B., July 23.—Maurice Boyd, a lad of ten years, was the hero in a thrilling rescue from drowning at Nashwaakias on Thursday. A young son of Pte. McFarlane, aged 7 years, was in wading in the Nashwaakias stream, when he suddenly got into deep water and was drowning when his cries attracted young Boyd, who with some other lads, was swimming nearby.
Without a moment's hesitation, young Boyd hurried to the little fellow's companions but in his effort to effect a rescue, was clutched about the neck by the almost drowning boy. After a struggle he freed himself and got back to the shore. There other boys were congregated, but it was young Boyd who rushed to the rescue as soon as he got his breath and strength back again.
Finally the McFarland boy was rescued and the friends of young Boyd feel that he should have some public recognition of his heroic act, and it is suggested that application should be made on behalf of the boy for one of the Carnegie hero medals.
