MINARD'S "KING OF PAIN" INIMENT

Extract from a letter of a Cana To Mrs. R. D. BAMBRICK:

The Rectory, Yarmouth, N.S. Dear Mother:

I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me.

Have you any patriotic druggists that would give something for a gift overseas—if so do you know something that is good for everything? I do—Old MINARD'S Liniment.

Manufactured by the Minard's Liniment Co. Ltd. Yarmouth, N. S. LATE SHIPPING INTERESCENCE

The four-masted schooner Governor Parr, the largest ever built at Parriboro, N. S., and which was launched there last Tuesday, from the yard of W. R. Huntley & Son, arrived yesterday to load lumber She registers 972 tons. The Governor Parr was built for C. T. White & Son, Limited, and they have sold her to Archibald Davison and others of Bridgewater, and Capt. Angus Richard, of La Havre, who is master.

This fine looking vessel attracted no little attention as she rode at anchor in the harbor. A PLORENCE OIL HEATER takes the chili off of bathroom, dining room or living-room, and saves coal.

They are safe, convenient and econ-omical. Come in and see them.
