Accident at Rolling Dam. A man named Gains was injured las week at Rolling Dam about thirty mile from St. Stephen by the accidental dis charge of a shot gun. The shot entered the lower part of the arm completely blowing the muscles of the arm off and making a horrible wound. Dr. Gross of St. Stephen was called at midnight and taken up the line, thirty miles, in a lorry. He saw the man would require careful and constant attendance and had him removed to St. Stephen, where under the doctor's care he is doing well, and there is every prospect of the wound healing and the srm being saved.

There is a droll story of how a man lost a wager in Pueblo, Colorado. Stepping into a large liquor shop he offered to bet ten to one that he could, blindfolded, tell the name of any liquor or wine in the house, or any mixture of liquors, by the taste and smell. All went well with him at first. He named all the celebrated brands correctly. Then they handed him a glass of water. He tasted, he smelt, he tasted and smelt again, and at last, completely nonplussed, he gave it up so. "Well, boys," said he, "you have got me. It seems to me as if, years ago, I struck something of that kind in the States, but it is so long ago I have entirely forgotton it."

use multitudes can spare themselves from the endurance of foul cruptions and nicorous scree, through which the system strives to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find its obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings wilt tell you when. Even where no particular disorder is felt, people en Joy better health, and live longer, for cleansing the blood. Keep the blood-healthy, and all well; but with this pabulum of life disordered there can be no lasting health. Prepared by DR. J. C. AYER & CO.
