LIBRARY.—During the year ninety-six new books were added to the Library at the cost of \$49.62 ; \$16.00 of this was subscribed by an officer of the school, the balance, \$33.62, being raised by special collection in the school. The books are kept in thorough repair by the librarians and now number 957 volumes.

PIC-NIC.—The annual pic-nic was held at Otterburn Park on the 20th June, and was enjoyed by a large number of the scholars and their friends.

MISSION BAND.—The members of this Band continue to make garments for the needy, and still support a cot in the children's ward of the General Hospital.

BAND OF HOPE.—The Band of Hope continued its work until the end of the spring season. At the re-opening of the school in September, after very fully considering the matter, the teachers deemed it unwise to continue the fortnightly meetings for the winter, but have decided to bring the matter more definitely before the scholars in the school, and with this in view have placed the temperance pledge within reach of every scholar. Already quite a number have availed themselves of the opportunity of signing.

Respectfully submitted,

ELLA ARCHIBALD,

Secretary.
