

THE 44th ANNUAL REPORT

—OF—

Knox Church Sabbath School

—FOR THE—

Year Ending 31st December, 1880.

The Sabbath School Association beg leave to present their Annual Report as follows :—

The average attendance for the year has been 287 made up as follows, viz : 19 female teachers, 14 male teachers, 146 girls, 108 boys ; this shows the gratifying increase of 26 over the year 1879, and 10 over the year 1878 ; but from the large membership of the Congregation, this should still be largely increased. During the past year the following scholars have been admitted to full Communion of the Church, viz :—Annie Kilgour, Mary Thompson, Annie Mitchell, Aggie Park, Wm. Peace, which must be a source of thankfulness to all connected with the government of the School. The Psalmody of the Sabbath School is still in charge of our Precentor Mr. James Johnson, under whose care and attention it still holds a leading position in the School, and we would suggest to the scholars the advisability of perfecting themselves in this very pleasant part of our service. After a short interval, during which time, from some cause the meetings for the study of the lessons were discontinued ; these meetings have been resumed, and are held at the close of the Wednesday evening Prayer meetings, when it is hoped that since the members of the Association have again the privilege of instruction from our talented President the Rev. John James, D. D., they will avail themselves of the benefit they may receive by his experience and better fit themselves for the discharge of their duties.
