FABULOUS 35 H.P. MERCURY OUTBOARD MOTOR SPECIAL!

For power, top performance and light weight . . . the Merc 350! It's the lightest 35 h.p. ever built. Power-Dome combustion, extra-husky rods, shafts, gears give extra load pulling power and fuel saving economy. No shear pins, either. Outperforms any outboard in its power class. Available with single-lever remote control and manual or electric starting. Complete with 6-gallon remote gas tank.

SPECIAL

Manual start, standard shaft.
